

Thank you

This holiday season, Street Roots vendors are grateful for love, support, housing – and you, their customers

Homeless self: What I do to be myself is get up each day, face the day. Make appointments and keep them. Sell Street Roots to keep me and Molly (my dog) nourished and pray for his will to allow me to get up each day, to face the day.

My homeless self will no longer take such simple things for granted, such as showers, electricity and bathrooms. I count my blessings each day for women's shelter, and Red Doors for daily nourishment of food and spirituality."

EILEEN VIZENOR

Proud

I'm proud of what I do for Street Roots because I try to make my customers really happy. I love working here, and I'm grateful that I am just here, doing my thing. I really appreciate it."

PAUL ORTIZ

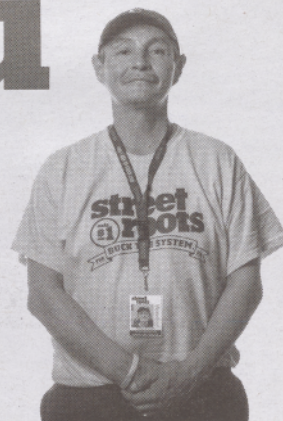

My customers are the best. They are intelligent and imaginative. They also give me good advice when it comes to acquiring my life goals. So, on that note, thank you for supporting Street Roots, and making my life better. Season's greetings to you and yours."

ROGER CAVITT

Thank you, Mr. Felton, my favorite customer. He's the man."

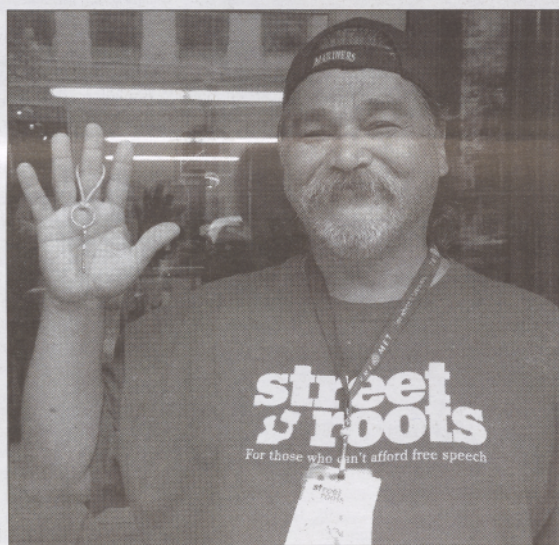

EARL BENNETT

I'm grateful for Street Roots being here, for all us people. There are good people here. I get to meet all these new friends and sell papers."

WALLACE OUTWATER

You all made this possible

Being inside for the first night in 12 years was great. I was able to sleep right away. My bed is nice and comfortable."

ARNOLD CASEY

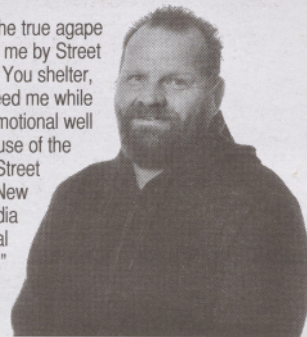

Weekly has made my life so much better! I used to have to save my money the first week to spend it the second. I used to have to struggle every day. Now I look forward to the new paper every Friday. So do my customers. The one thing I've been told over and over again is that the paper has gotten better."

TONY BOONE

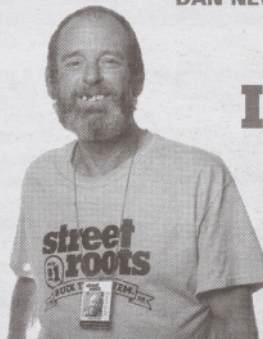

I am grateful for the true agape love shown me by Street Roots readers. You shelter, clothe and feed me while supporting my emotional well being. It is because of the community of Street Roots readers at New Seasons Concordia that my mental health is stabilizing."

DAN NEWTH

On getting into housing:
I'm in heaven right now. This is the best thing that's ever happened to me. I'm so excited right now!"

BOB HEALY

It feels good

I hope you have a happy holiday season. I hope fortune comes your way. I appreciate how you appreciate Street Roots vendors for what you do. I just can't express it. It means a lot."
