

Tall Trees

by Don Grubb

Tall trees branch forth to the sky
 Waiting for birds to perch upon high.
 Together like nature we should unify
 Perceiving with dignity
 We must strive.

There's nothing better than seeing a formerly homeless veteran get into housing. Longtime vendor Jamie McDermott recently spent the first night in his new apartment with the help of the VA and a VASH voucher.

"My first night? It was just me, the carpet and a sleeping bag. It was awesome! And now I have WiFi, too."

We've been working with Jamie for more than a decade and are so happy to see him inside. Head to the Portland Farmers Market at Portland State University or Trader Joe's at Northwest 22nd Avenue and Glisan Street to congratulate him!
