

Getting on the bus is already hard enough.

TriMet is Changing the Way We Pay Fare

Bus Riders Unite is organizing to ensure electronic fare doesn't hurt riders. We know bus riders need:

- a low-income fare
- a family card to allow multiple riders on a single card
- e-fare payment options closer to transit stops

Bus Riders Unite is a multiracial, multi-generational movement for transit justice. Led by transit-dependent people of color and people with low incomes, BRU has been winning victories for transit riders since 2011.
