

### Bridges

by Maddy Brown-Clark

We cross bridges  
 Over the rivers of our life  
 That empty into  
 The sea of humanity  
 Roads head out for  
 Different destinations  
 To other points in time  
 And those bridges  
 Keep us from being swept away  
 By the flood of problems  
 We face each day.

### Answers to puzzles on page 15

## Thank you!

Paul West has been a Street Roots vendor for just about a month, and he wants to express gratitude to the customers who regularly purchase his papers. "I want to say thank you for supporting me, I appreciate it very much. There are a great bunch of people that come through my corner, great bunch of people."

"Before I was doing Street Roots it wasn't good. Street Roots helped straighten me out a little bit. It made me sober again and selling the paper helps me continue to stay sober."

You can find Paul most days at Southwest Fourth Avenue and Alder Street.
