

Changes The Bitter, Sweet Victory

by Leo Rhodes

The struggle is hard
Changing people's perception on homelessness
Is very difficult

It takes lots of talking
And direct actions

Sometimes the changes takes months
But most of the time it takes years

When the changes happen
It's a bitter/sweet victory

The bitterness
Is watching the homeless

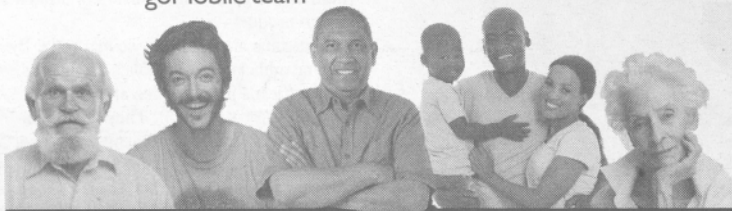

At first they are excited with hope
As time goes by
They start losing hope
So much suffering
Both physical and mental

Diverse Perspectives

by Don Grubb

Inquiring minds always wanting to know,
searching high sometimes searching low
ever waiting for what each one might show.
Dedicated to a disciplined positive attitude
and being extra loving to those often rude
always ever aware time is a gift from above.
Eagerly ready to demonstrate in love.
Time is given to the individual always present.
Time is given to those in mansions!
Time is given to those even in tents!
Eternally existing is Love, Truth and Time.
I'll conclude with this
Time given in love should be time given back to love from above!
