

"The 'daily drill' is my routine: it's what keeps me going and what needs to get done. Everyone has a daily drill and **we all need a home to get it done.**"

—Zoe, Ritzdorf Court resident

Zoe's right, everyone needs a home they can count on. But the Portland metro region lacks 40,000 affordable homes for families and individuals with very low incomes. It's time we value and invest in affordable housing as our community's infrastructure, making this region great, for for everyone.

Join the Welcome Home Coalition. We're working to make housing work for everyone.
