

### Street Music

by Maddy Brown-Clark

The music of the streets  
Is both bitter and sweet  
Both freedom and desperation  
Both sadness and elation.  
Just another tip sir  
And the street musician  
Can get some smokes  
And a cold bottle of coke  
To wet his tongue  
So he can sing his way  
To a new home.

### Road Trip

by Avendor

There's no nuclear war going on  
and the jaguars of Peru are safe  
and we're driving through the California desert  
with cold beers between our legs  
There's no insecurity about our spiritual condition  
and we feel we're good enough for anyone's love  
and we're pulling over to a convenience store  
for cigarettes and coca colas  
And we're looking forward to the future  
as we head off into the night  
because deep within the chambers of our hearts  
we feel everything is going to be alright
