

Depression

by Jason Van Truss

I died in my sleep yesterday
 But it was just a dream
 Just as well, we cannot dwell
 But dreaming kills the pain
 Think of me when you think of it
 The spoon gets black with fire
 Born with desire, we can't follow
 Life's so boring, seems so hollow
 Swimming in your ocean is so shallow
 I'm so happy with what god hasn't sent
 But it was just an accident
 God will heal if you repent
 And my money's here, but I am spent

Untitled

by Lane

Love is like a flying dove
 Swooping through the fields
 Love is like a honeycomb
 So sweet with stinging bites
 Love is like a thorny rose
 Delicate and sharp
 Love is like a flying dove,
 That's lying on the ground

Untitled

by Cynthia G.

Sitting all alone
 Without a song not even a tune
 Needing to be loved
 By the one, I'm true blue
 I'm trying to see why I've become
 So hardened so I felt I should've grown
 So into the street life of Portland NW SW
 I became so true
 Realized how much I missed
 When my song said mom come my way
 Instead I ran away to be with Mr. Grubb
 My Donald Edward that is he's my man
 My husband forever the one I'm truly Blessed
 Why is this life so hard I guess
 It's because of a spiritual warfare
 The Devil & God play tug of war
 With me & it hurts ya see
 I'm a living sacrifice
 Living in my misery
 One minute I want this the next I want that
 When life is full of surprises I feel like a brat
 The merry-go-round spinning in circles
 When do I get off
 I see so many people live life or is it a show
 When do we play for real here we go

We are all here

by J.M.

born as orbs
 attempted to be squeezed into rectangles
 but to fit in the box you created, some need to be cut by the throat...
 afraid of the unknown
 scared of the uncommon
 uncomfortable with the unfamiliar,
 it's common - and somewhat natural - practice.
 but should we embrace that?
 you and your allies,
 are not the only one on this planet;
 because; we are all here...

Lost

by Abraham Vinzant

We come and we go. Just
 Not knowing which way
 To go. Do we go left or do we go right.
 Do we go forward or do we go back to sleep.
