

**This isn't just a measure on the ballot.  
It's a measure of who we are.**

Together, we can build **permanently affordable homes** for nearly 3,000 Portlanders who need them most. Let's make Portland a place everyone can afford to call home.

---

**Organizations from every walk of life and every part of  
Portland urge you to vote YES on 26-179 this November:**
