

What is Life?

by Deadpool

What is life. It is being
 alive able to make choices whether
 good or bad, the right or wrong.
 It doesn't matter either way
 We suffer the consequences, such is life.
 Life is the ability to love someone
 and care for another life other than yours
 To show someone affection and sharing
 your dreams, a laugh or a stupid joke.
 Life is being able to be yourself no matter
 what everyone else thinks
 Not having to wear a mask and not being fake.
 Life is taking time to slow down
 appreciate what's around you.
 Taking time to share a smile or a nice greeting,
 it's acting like a kid sometimes, and being responsible
 at others. Life is crying, hurting, pain
 Love, being loved, and just living
 This is what life is.

The Drunkard's Path (Facing Life)

by McShown Needles and Robbit Waffers

It started out as an easy gait.
 Then turned into a weaving wile.
 After waking up I found
 I couldn't sprawl.
 I gathered myself and charged
 Towards my wherewithal.
 Then I turned
 To see a friend standing there
 His name was Robbie.
 Upon arrival I bought
 My liquid courage for the next hour.
 The bottle wasn't enough
 So I had to go back for more.
 Sobriety called so I went to work
 Per my daily routine.
