

## What's Inside of me

by Brian Nye

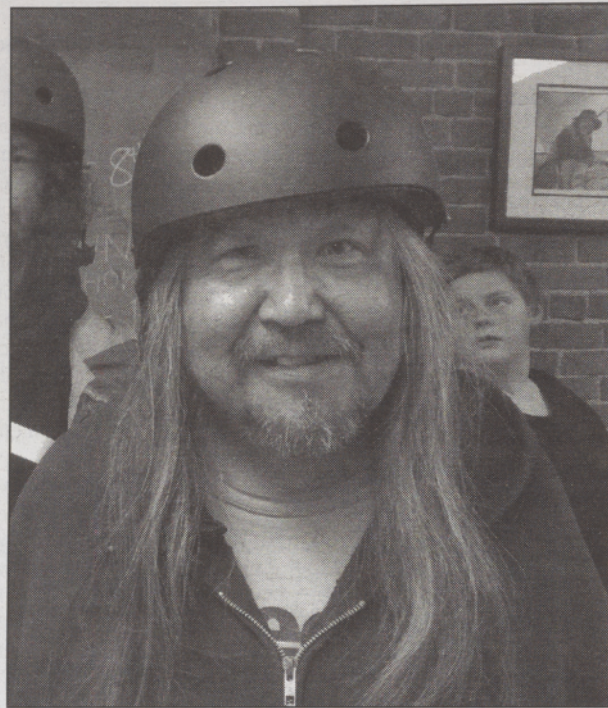

What's inside of me  
 I wish it was happy and full of glee  
 Instead I struggle just to be  
 The lies, scams and violence that  
 come upon me  
 Dreaming of a day I can just be  
 Dreaming of a day I'll finally be free  
 Of the hate, rage + discontent  
 that's killing me.  
 I hold it deep inside me  
 Hoping no one will see  
 Just how much I hate being me  
 Doesn't matter how much I plea  
 Every day I wake up, - Im still me

## Happy riders

Street Roots vendors are participating in Community Cycling Center's Biketown for All program. On Nov. 8, 20 vendors attended an orientation, and 10 signed up for the program, which provides low-income individuals with a \$3 monthly membership and unlimited ride time on Biketown bike share bikes throughout the city.

At the orientation vendors learned about the program, learned about bike safety, received a free helmet and took a Biketown bike for a ride.

Street Roots will continue to partner with Community Cycling Center to bring interested vendors Biketown for All memberships.
