

### Love To Fall

by Clayton Woullard

The week stretches on  
 When you're waiting for love to fall  
 Bursting to spill, but not for long  
 Suffering for hope so small  
 Then,  
 A bird carries hope so large  
 You forget where you left your shoes  
 Only left to stumble, waiting for a charge  
 The obsession begins to creep, begins to move  
 Then you welcome the daze  
 Sleeplessness becomes your mistress  
 Hope grows so dim until you see you're crazed  
 New distraction sees an end to this

### The Date

by Daniel Cox

Fear and regret  
 Ran my life to the ground.  
 It left a shallow man.  
 I could have fought, alas  
 I did not.  
 Now I lie here  
 With nowhere to go.

## How do you share health?

At **Health Share**, we believe good health is more than what happens inside your doctor's office. Good health starts in your community and includes staying active, eating healthy food and getting regular check-ups.

Share your healthy habits with family and friends. We can all have better health when we share it together.
