

### The Delusion

by Ron Sanford

It was like a hangover  
Or bad acid trip  
My first crush as a youngster

The name is not important  
Just her appearance  
Then I had other crushes

None of them loved me back though  
The way I had dreamt  
Was I expecting way too much?

Spent all that time chasing ghosts  
I felt so unredeemed  
My beauty was corrupted

Until I learned how to love  
From the inside out  
That's when love crushed the delusion

### Tea Time

by Daniel Cox

You let out those skeletons  
Out of your California closet  
For tea once in a decade  
You tell them that they all look  
Nice and all, that you bid them well,  
And you may go now.

## How do you share health?

At **Health Share**, we believe good health is more than what happens inside your doctor's office. Good health starts in your community and includes staying active, eating healthy food and getting regular check-ups.

Share your healthy habits with family and friends. We can all have better health when we share it together.
