

EVERY OREGONIAN DESERVES THE STABILITY OF A SAFE, DECENT HOME.

But today, renters are losing their homes through no fault of their own due to no-cause evictions and extreme rent increases.

There are tools to give renters the stability of home. The State Legislature can end no-cause evictions and allow local communities to pass rent stabilization this year, and we need you to take action.

Legislative hearings on key tenant protections bills are coming up very soon. Call and email your legislators today and tell them to support tenant protections.
