

Save the World

by Maddy Brown-Clark

Can we save the world?
 If we all get together
 No matter what creed or color
 Can we dream about forever?
 Can we save the polluted earth?
 Can we turn back global warming?
 Save the animals from extinction
 If we all get together
 Can we rediscover love?
 Set our sights on the stars above?
 We must all get together
 Maybe we can save the world

Spirit of the Street

by Saoirse-Seersha Bell

Do not cry for me, stand with me.
 Like a common dandelion growing out of the crack
 between the street and the curb,
 I am thriving where fate has planted me.
 I am not daunted, I am daunting.
 Dent de lion, French for dandelion,
 means tooth of the lion.
 At Street Roots, I have found my strength.

How do you share health?

At Health Share, we believe good health is more than what happens inside your doctor's office. Good health starts in your community and includes staying active, eating healthy food and getting regular check-ups.

Share your healthy habits with family and friends. We can all have better health when we share it together.
