### You're the One Today

by Daniel Cox

The sunshine's just for you,  
of course at your convenience.  
But the dawn belongs to you.  
You could say you are one  
big happy ray of sunshine.  
Your warmth, your radiance  
brings forth life.

### Positive Vibrations

by Michone Nettles

While sending signals into deep space  
With each word a vibration follows  
Never-ending, ongoing  
Pray out loud so we are heard and felt  
Open your heart and soul to floodgates of life  
And receive the message that's being offered, or sent.  
The circle has been connected since beginnings of time  
Never to be broken  
The link is too strong
