Nation's Power or People's Peace

by Shaggy

Nations fight for power
In order to feel safe

People fight for peace
Their families and their names

Nations kill for greed
More unnecessary things

People kill for need
Or abstracts built of strings

Nations love to win
Contests distract the crowd

People love to achieve
And make their families proud

Nations build over others
Conquest leads to famine

People build to grow
That their kind might not vanish

If nations wanted peace, people would have power
