

# Hey! Child of Five! Somehow You'll Survive

by Ron Sanford

Your IQ is high. Are you justified?  
Tender age of five can't believe my eyes  
Discrimination Had to beat the odds  
Had to fight back and break from the pack

Lemon emotion knew of my own faults  
I made bad choices trapped in shame and guilt  
You should know better! But that's not the case  
The words can't get through  
When you're out of place When you're fighting back

Listen to your mom! Sometimes she is right  
Mistakes multiplied can't relive the past  
The words did get through The words of wisdom  
They're deep in my heart Some of them were true

Then I'll laugh and sigh, forget about dad  
Any wound can heal-your faith makes you well  
Keep on moving Moving on higher  
Got take the high ground  
Somehow you'll survive
