The Trainwreck

By Leo Rhodes

Searching for
And
Having
The light at the end of the tunnel
Move back, back
Further
Instead of closer

An educated
Journey
With
Many ups, and downs
Twists and turns

The struggles are hard
Wanting to give up
But I'm no quitter

I hope you
Learn and change
Quicker
Much quicker
Than I have
Learned and changed

My life
Didn't have to be
A trainwreck

You ask
If I had a chance
Would I change
What I went through

Thinking about it for a while
A smile comes to one side of my face
As I shake my head
I reply
"Nope it's what made me me..."

Waterfall

by Bryant King

A waterfall would be impressive
If it flowed the other way,
But a plain ol' waterfall, with its foamy
Surges plummeting and crashing below,
Is sufficiently impressive to me.
What about you? In the coming
Time, will I be impatient and
Frustrated with plain ol' ordinary
Marvels and wonders? Or will
I just be able to enjoy them
Just as they are?

If I Could Change My Mind

by Vendor M

If you would take a look
Into my mind, you would find
A world of mysteries and a world
Of pain and regrets, managing
My mind is an everyday war
Within and no matter what
My mind wins, so up and
Down and all around

How do you share health?

At **Health Share**, we believe good health is more than what happens inside your doctor's office. Good health starts in your community and includes staying active, eating healthy food and getting regular check-ups.

Share your healthy habits with family and friends. We can all have better health when we share it together.
