

## Justin Trudeau

The Canadian prime minister talks with street papers about ending homelessness, legalizing cannabis, immigration reform and other issues (that don't involve colluding with Russia)

REUTERS/CHRIS WATTE

**"The argument for women's equality and women's independence is not just a moral argument, it's not just the right thing to do. It's also an economic argument; it's the smart thing to do."**

- JUSTIN TRUDEAU
