

Andy

by Michone Nettles

Long but not lost
You're gone somewhere
with no warning
with no heads up.

It's okay.
Rest with peace, soul
searching for what's true.

Love you my friend, we had some
time together with smooth sailing

Miss you, so come see about me
when you have time. Please!

Thank you for being you!
Got a place in my heart for you
that beats for you!
Help share touch souls
that need to be touched.
See you when I see you

Love, Michone AKA Black Diamond

The Answer

by Ron Sanford

As the master of my ship and captain of my soul
I feel a little bit unqualified for the voyage.
How in the hell did I end up behind the helm?
An invisible force commissioned me, I'd say!
But beside the obvious
I'm just passing through this one time,
On a stint called life on Earth.
Results will be forthcoming, like it or not.
Forward is the only way to go.
The more I mull over the big questions the smaller I become
Until I slowly disappear into the backdrop.
My Mother!
My God!
The Ocean!
The Universe!
Must conclude that I am helpless and lost.
Now I am starting to get somewhere.
