you should ask your druggist for it at
once. You can obtain one, if more con-

Robbed the Grave.—A startling
incident, of which John Oliver of
Philadelphia, was the subject, is
narrated by him as follows: "I was
in a most dreadful condition. My
skin was almost yellow, eyes sunk-
en, tongue coated, pain continually
in back and sides, no appetite—
gradually growing weaker day by
day. Three physicians had given
me up. Fortunately a friend ad-
vised trying 'Electric Bitters,' and
to my great joy and surprise, the
first bottle made a decided improve-
ment. I continued their use for three
weeks, and am now a well man. I

On Tuesday evening between
5 and 6 o'clock, the hardware and
builders supply store of Jones &
Adams, McMinnville, narrowly
escaped being totally destroyed by
fire. The fire started in the
oil room, probably by the ignit-
ing of gas from a light in that
room. The oil barrels were soon
in flames, and the oil flowing
from them. For a time it looked
as though the building and all it
contained was doomed to total
destruction, but the fire com-
pany by a hard fight of an hour
extinguished the fire. The north
side of the building was almost
altogether destroyed—the con-
tents of building were badly
damaged by water. There was
\$2,500 insurance on the prop-
erty. The loss is not known at
this time. This old established
firm have suffered loss by fire
