Hop lice have made their appearance, but no damage is being done by them. The majority of the growers are spraying

The first threshing done in this state this season was by Ed Rush, June, 28th, near Milton. This was a month earlier than last year.

Six or seven new rural mail routes will be established at an early date, from Salem postoffice to the surrounding rural districts.

Governor T. T. Geer and Mrs. Geer, his wife, will be tendered a public reception in the Supreme Court room at State Capitol, at Salem, July 11.

The way self binders are going out of Salem says the Statesman of that city, it would appear that there is going to be no failure of the Oregon grain crop. despite reports of a shortage in yield of fall grain which is very true

It is stated by Wm. Reed, of Portland that a railroad will be built from Sheridan to Tillamook within 15 months, and that Tillamook City will be the permanent terminus He says the best route for the railroad from the valley to the sea is from Sheridan to Tillamook City.

The managers of the 1900 State Fair—which is the 4th annual Oregon State Fair—are hard at work to make the fair one of the most successful in its history. They have assurance that their efforts will be attended with success, and that the fair will be of interest to all those who attend. It opens September 17, and closes the 22.

While in Portland last Sunday, Clyde Raabe, pilot on the steamer Ruth received a message that his wife, who is at Salem was seriously ill, and requesting him to go home Mr. Raabe went to Salem by train on Sunday It is doubtful if his wife recovers. Arthur Riggs, mate of the Ruth, who has pilots papers, is filling pilot Raabe's position during his absence. Henry Robertson is acting as mate

The July number of Frank Leslie's Popular Monthly is appropriately patriotic, in grouping the Hon John Quincy Adam's illustrated article upon "The Birthplace of the American Flag." Hezekiah Butterworth's inspiring "Flag Song," specially revised and extended for this publication, and a fine poem by Theodora Peck, entitled, "A Dream of the Flag." The general contents of this July number of Frank Leslie's Popular Monthly are as rich and varied as ever.

Judge Owen N. Denny died at Long Beach on Saturday, June 29, of general debility, aged 62 years. Judge Denny, for several years, represented the United States consul in China, and while there he introduced the Mongolian pheasant into the United States, which has become a popular game bird in this and adjoining states. The funeral took place on Tuesday, burial in River View cemetry, Portland.

Information has just been received from Washington that the Newberg postoffice has been placed on list of additional international money order offices, to be established early in July.... Margaret D. Williams died at her home on Fifth St. Tuesday, June 26, at the age of 82 years. She was born in Bedford county Penn, where she lived until the year 1888, when the family moved to Oregon and built a new home in Newberg.... Lon Johnson who has the Smith place up the valley rented, went to Salem this week to interview Dr. J. F. Calbreath, superintendent of the insane asylum, who has the renting of farm. If he succeeds in getting a new lease on the farm he says he will contract 50 or 100 acres for beets.—Newberg Graphic.

On Wednesday the steamer Ruth, when at Lambert's landing, on the way up stream, stuck fast on a gravel bar. After using every means at hand to get the boat loose and off the bar—breaking all the ropes and lines on board—about 4 p. m. Captain Bell sent Mate Harry Robertson to Dayton, with instructions to phone to Superintendent Conway of waterways for the O. R. & N. Co., for apparatus to get the Ruth afloat. There were 160 passengers on board the steamer. The M. E. Sunday-school of Salem, having an excursion to Wheatland on the steamer Pomona of the O. C. T. Co.'s, boats, did not get off that boat when arriving at their destination, on account of the rain. On meeting the steamer Ruth, the excursionists were transferred from the Pomona to that boat. There was also a large cargo of miscellaneous freight on board the Ruth.

The people of Newberg have accomplished their purpose to have 5000 acres contracted to be put into sugar beets, in order to secure the establishment of a beet sugar factory at that place. By persistent work, and a determination to overide all objections by the chronic calamity howler, the enterprising people of that embryo city have securd the 5000 acres of land, and a number of acres more. This assures the establishment of a large sugar factory at Newberg, and also a starch factory. The people of that burg are to be commended for their enterprise and grit in working for and securing the sugar factory, which will be of so great benefit,—not alone to Newberg,—but the whole of Yamhill, and also adjoining counties. Now let the people of Dayton and vicinity get in, and roll up their sleeves and work for a creamery, like the people of Newberg did for a beet sugar factory, and Dayton will soon have a business that will be a source of profitable and steady revenue to this town and vicinity.

IS IT RIGHT FOR AN EDITOR TO RECOMMEND PATENT MEDICINES?—It may be a question whether the right to publicly recommend any of the various proprietary medicines which flood the market, yet as a preventive of suffering we feel it a duty to say a word for Chamberlain's Colic, Cholera and Diarrhoea Remedy. We have known and used this medicine in our family for twenty years and have always found it reliable. In many cases a dose of this remedy would save hours of suffering while a physician is awaited. We do not believe in depending implicitly on any medicine for a cure, but we do believe that if a bottle of Chamberlain's Diarrhoea Remedy were kept on hand and administered at the inception of an attack much suffering might be avoided, and in very many cases the presence of a physician would not be required. At least this has been our exprience during the past twenty years.—Sylvan Valley News, Brevard, N. C. For Sale by R. L. Harris.

WAS IT A MIRACLE?—"The marvellous cure of Mrs. Rena J. Stout of consumption has created intense excitement in Cammack, Ind." writes Marion Stuart, a leading druggist of Muncie, Ind, "She only weighed 90 pounds when her doctor in Yorktown said she must soon die. Then she began to use Dr. King's New Discovery and gained 37 pounds in weight and was completely cured." It has cured thousands of hopeless cases, and is positively guaranteed to cure all throat, Chest and Lung diseases. 50c and $1.00. Trial bottles free at R. L. Harris' drug store.

WHITE MAN TURNED YELLOW—Great consternation was felt by the friends of M. A. Hogarty of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful stomach and liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all stomach, liver and kidney troubles. Only 50c. Sold by R. L. Harris, druggist.
