IN ANOTHER BATTLE

Americans Help Defeat Boxers Near Tien Tsin

A CRUSHING DEFEAT INFLICTED

Contradictory Reports as to the Whereabouts of the Empress Dowager—Earl Li Converted.

London, August 27.—Five hundred American troops participated in a signal defeat of Boxers outside Tien Tsin, August 19. The fact is briefly reported from Vienna. Details of the engagement came from the Reuter agent at Tien Tsin in a dispatch dated August 20. In addition to the Americans, the force consisted of 375 British and 300 Japanese, all under the British general, Doward. The fight took place at a village six miles southwest of Tien Tsin, where the allied forces found a considerable number of Boxers, whom they engaged, killing over 800 and taking 64 wounded prisoners, who were sent to the hospitals of the allies. The village was burned. The Americans had five wounded, the Japanese six and the British none. Hundreds of Boxers' flags, spears and swords were captured.

From Shanghai comes a report, qualified by the assertion that it is from purely Chinese sources, that the empress dowager, after proceeding one day's journey from Peking, became terrified at the looting by General Tung Fuh Siang's troops and went back to Peking.

A Chinese telegram from Sian Fu says that Prince Tuan has been captured by a detachment of the allies.

Other Chinese messages record the formation of a provisional government in Peking by the allies, but this appears to be a purely military measure and merely an elaboration of the scheme for dividing the city into sections for police purposes.

Li Hung Chang has received word that the allies entered Peking early because the troops of General Tung Fuh Siang utterly refused to face the allies. According to the Shanghai correspondent of the Daily Express, Earl Li, recognizing the futility of an attempt to drive the foreigners from China, now proposes conversion to reform principles.

Old Man Still Game.

New York, August 27.—"Whipped into insensibility in less than two rounds," is the story in brief of Tom Sharkey's meeting with Bob Fitzsimmons at the Coney Island Sporting Club tonight. Fitzsimmons was the victor, Sharkey was the loser. Fitzsimmons said all along that when an opportunity presented, itself he would prove conclusively that he was Sharkey's superior and settle accounts for the injustice done him when he met Sharkey in California four years ago. Sharkey was equally confident that he would prove to be the victor in tonight's battle and the brevity of the fight proved that Fitzsimmons is still a great fighter and able to beat the best of the heavyweights. He has beaten Corbett, Ruhlman and Sharkey.

A San Francisco Boycott.

Resolutions declaring the nine-hour mills unfair and ordering the trade unions to refuse to "handle, place or work on any building where unfair mill work constitutes a part of the structures," have been adopted by a unanimous vote of the council.

Washington, August 27.—The population of the city of Omaha, Neb., according to the official account of the returns of the twelfth census is 102,555 for 1900 against 140,452 in 1890. The population in 1890 was 380,518, showing an increase of 108,954, or 28.62 per cent from 1890 to 1900.

St. Joseph, Mich., August 27.—The worst electrical storm of years struck here early today. The steeple of the Lutheran church was splintered by lightning, and 10 barns, a few miles south of here, containing the season's harvest, were also struck, and it is reported were burned to the ground. TRAVELING MEN'S DAY

They Have Planned a Great Parade for Sept. 8.

Portland Carnival Will Be a Big Success by the Men Who Never Know Defeat in Their Daily Business—They Want Their Customers to Join Them.

Portland, August 27.—It is now a conceded fact that Traveling Men's Day at the Elks' carnival, to be held in Portland, will be one of the greatest attractions of the fair. September 8 has been set as Travelers' Day, and every traveling man in the Northwest will be in line, one of the most unique and instructive parades ever witnessed on any street. Each traveling man will be decked out in a linen duster, wearing a white crush hat with a blue ribbon band and carrying an umbrella. There will be at least 1,000 of them in line. There will also be numerous floats, each representing the traveling men of the different centuries, from the 15th to the present date, with elaborate costumes suited to the occasion. They will also show the different methods by which they travel, including the pack train, stage coaches, buckboards, freight trains and Pullman cars. The hotel accommodations which they have to contend with will not be left out of this parade. It is the desire of the travelers and also of the houses they represent, that all of their customers and friends be present that day so they can see the traveling man in his every day trials, showing both the good and bad of their trips. The boys are making special preparations to treat their customers and friends in a royal way.

GENERAL CHICAGO STRIKE.

The Plan is to Tie Up Building Operations in the City.

Chicago, August 27.—Unless the plans of the leaders miscarry every union man connected with the Building Trades Council will be called out on a strike before Labor Day.

The plumbers have already been ordered out and the intention is that all other unions whose men are working shall follow suit. Owing to increased activity in the building trades within the last few days, many union men have been put to work, in some places with the consent of the business agents, and it is the purpose of the unions to stop the work wherever the bosses believed they had won a victory and show them that the labor organizations are still in the fight. The business agent of one of the largest unions said: "Contractors have come to believe that it is comparatively easy sailing for them now, and accordingly have been undertaking some large jobs with the idea that there would be no further trouble from the unions. They will do to their disgust that many of the men whom they supposed to be non-union men have become members of the unions and they will simply be unable to do any work. It is the only thing that is left the unions unless they propose to give up their fight. The idea of helping the contractors along their jobs has been a mistake which is generally recognized now and they will find there is a lot of fight left among the men yet."

AN ALL-DAY ENGAGEMENT.

Fight Between Grobler's and Baden-Powell's Forces.

London, August 27.—Lord Roberts reports as follows: "Buller's division marched to Vanwyk's Vlei, 15 miles south of Belfast, yesterday. His casualties were 20. "Paget reports from Hammanskraal that Baden-Powell engaged Grobler's rear guard all day yesterday. Grobler was driven back east of Pinaar river. Baden-Powell occupied the railway station of that name. During the fight Baden-Powell's advance and that of the enemy galloped into each other, the Rhodesians losing Colonel Spreckley and four men killed and seven wounded. Many of the Boers were killed or wounded. They were at C'ferkulle this morning. Plumer & Hickman were closely pursuing them. "It seems certain that Dewet finding it hopeless to make his way eastward has recrossed the Magaliesberg with a few wounded, with the intention of returning to the Orange River colony. He was in a very different condition from that when he left Bethlehem with six or eight guns and 2,000 men. His guns have mostly been buried and his personal followers cannot be more than 300.

War May Be Averted.

London, August 27.—Numerous dispatches appear in the morning papers regarding the Bulgaro-Roumanian situation, growing out of the demand of Roumania for the suppression of the Macedonian revolutionary committees whose headquarters are at Sofia. What appears to be the most reliable summary of the latest developments comes from the Vienna correspondent of the Standard who says: "The conviction prevails that the conflict between Roumania and Bulgaria has now lost much of its acuteness, and that in the end Bulgaria will satisfy the Roumanian demands."

TO ATTACK THE ALLIES

Chinese Reported Rallying Their Forces at Peking.

HAVE 9,000 TROOPS AND 15 GUNS

Beisan and Japanese Cavalry Were Expected to Encounter Them Several Days Ago.

Washington, August 28.—A dispatch received at the Japanese legation today from the foreign office of Japan, conveying the latest and most authentic information of the situation in and around Peking. In a measure the advices were of a disquieting nature as they indicated that the Chinese had rallied their forces and were preparing for an attack upon the allies in Peking. If it should prove that the allied forces were besieged in Peking it would account for the lack of advices from General Chafee. As made public by Minister Yabuhira the dispatch from the Japanese foreign office at Tokio is as follows: "An official telegram, dated Peking, August 18, was received at Tokio from General Yamaguchi, commander of the Japanese forces, to the following effect: "The capital is now entirely cleared of the enemy. A cavalry regiment which had been sent to Wan Shau Shan (where the empress dowager's palace is located), reports that the imperial family, who had left Peking August 14, started, after a short rest at Wan Shau Shan for the west, and were under the escort of General Han and his troops, consisting of only about 500 horsemen and 20 carts. The Japanese forces occupied the treasury department, in which over 2,000,000 taels in silver and a large quantity of rice were found."

"Another telegraphic dispatch, dated Taku, August 23, states that as the Chinese troops and Boxers, who had gathered at Nan Yuen, were about to attack the foreign forces at Peking, Japanese and Russian cavalry were expected to encounter them on the 20th. The dispatch further states that Chinese infantry, 5,000 strong, with 15 guns, are advancing from Shian Tung to make a rear attack on the allies."

A copy of the dispatch was transmitted to Acting Secretary Adee, at the department of state and by him furnished to the president. While the news of a possible rear attack upon the comparatively small force of the allies was not received with surprise, generally, it was not regarded as serious, as the foreign forces are believed to be abundantly able to take care of themselves against any force of Chinese likely to be sent against them.

LOST IN A DESERT.

Three Men Found Perishing Because of Lack of Water.

El Paso, Texas, August 28.—Three men, who had almost perished from thirst, have been found in the desert near the Colorado church, 60 miles north of El Paso. One of the men is Professor B. H. Cook, who recently came to this city from the East. The men left Almo, N. M., on bicycles, Thursday, bound for El Paso. They took the overland road through the Tulare valley. On that route there is a desert of sand 70 miles wide. When the men had gone about 30 miles their bicycles broke down and they had to walk. One of the men reached the Colorado church, but had to be treated for several hours before he could speak. He then told of his comrades. Two men with jugs of water tied on their saddles went back in search of the missing men. One was found 15 miles away exhausted and unconscious in the sand and was brought to the ranch. The other, Professor Cook, was found 30 miles further away in spasms and would probably have died in an hour had he not received water. All the men are now in a critical condition. The names of the other two men were not learned.

Morocco Asked to Pay.

Tangier, Morocco, August 28.—A United States warship has arrived here to suppress the claims arising out of the murder last June of Marcus Esagin, a naturalized American citizen, who was the manager of a French firm, Esagin, while riding on horseback, jolted against the mule of a Morocco priest. A dispute ensued, during which Esagin, in self-defense, drew his revolver and fired, wounding a native. This was a signal for a general attack upon the American, who received dozens of knife wounds and whose body was burned, according to some accounts, before life was extinct.

Attacked by Hoodlums.

St. Joseph, Mo., August 28.—Because St. Joseph did not win both bull games today, a gang of hoodlums were angered and assaulted Empire Dick Ebright for calling out a player at first base during the eighth inning. The police could not, or would not, prevent a disgraceful scene. Ebright and the Denver players were pelted with missiles and fled to points of safety. Pitcher Schmidt, of Denver, fled several members of the mob with a club.

Summer Weather at the East.

Kansas City, Mo., August 28.—Matthew Hunter, aged 19 years, and Joseph Mereno, aged 16, were drowned in Troost Park tonight while boating. They tried to change their seats and their boat capsized.

BOER LEADER CAPTURED.

General Olivier Taken by Hamilton's Force at Winburg.

London, August 28.—The war office has received the following dispatch from Lord Roberts: "The Boers have been beaten back by Bruce Hamilton at Winburg. General Olivier has been captured."

The text of Lord Roberts' dispatch above that three of Olivier's sons also were captured in the attack which the Boers made from three sides on Winburg. Lord Roberts adds that General Olivier was "the moving spirit among the Boers in the southern portion of the Orange Colony during the war."

The following dispatch was received from Lord Roberts: "Belfast, August 26.—Engaged the enemy the greater part of the day, over a perimeter of nearly 30 miles. Littleton's division and two brigades of cavalry, all under Buller, operated southwest of Dalmanutha. French, with two brigades of cavalry, moved northwest of Belfast, driving the enemy to Lakenby, on the Belfast-Lydenburg road. As soon as French reached Lakenby, Pole-Carew advanced from Belfast in support.

"The enemy in considerable strength opposed Buller's and Pole-Carew's advances. He brought three long Tomms and many other guns and pom-poms (quick-firing guns) into action. The firing, until dark, was hot and persistent. Buller hopes his casualties will not exceed 40. Pole-Carew has not yet reported. The Boers are making a determined stand. They have a large number of guns, the country is difficult and well suited for their tactics, and is less favorable to cavalry than any we have hitherto worked over."

Writing from Belfast today, "Lord Roberts says: "Our casualties yesterday were wonderfully few, considering the heavy firing and the number of hours we were engaged. Buller estimates his losses at five killed and 24 wounded. His troops had to bivouac where they stopped after the darkness fell, and accurate returns are as yet impossible. The casualties of the force operating north of Belfast were three killed and 34 wounded."

FILIPINO CRUELTY.

The Barbarous Treatment of Soldiers at Lieutenant Weaver's Company.

Emporia, Kan., August 29.—Lieutenant William Weaver, of the Thirty-second United States volunteers, who resigned in the spring on account of illness and who has just returned home from the Philippines, tells of barbarities practiced by Filipinos upon American soldiers. He said that outside of the Macabebes, who are friendly to the Americans, the Filipinos are very cruel.

"Six men were killed at Dinalupihan," said Lieutenant Weaver, "and I do not think there was a man that had fewer than 10 bullet holes in his body. In the case of one American soldier it looked as if the muzzle of the revolver had been placed in his eye and fired. He was also stabbed in the neck and breast with bayonets. Here is another case of cruelty; Harry Easter and McDonald, two of my company, were killed instantly. Easter was shot in the neck and the other fellow was shot in the back of the head. Only about 30 of the company were with them and they were attacked by about 250 Filipinos. The Americans fought them an hour and 45 minutes. They had to leave the dead and when they came back the rebels had stripped the boys of all their clothing. They pulled up grass and sticks and built a fire on their breasts. We got to the boys before anything further was done to them. We got Easter and the other fellow away before they were burned."

Roseburg Child Killed.

Roseburg, Or., August 29.—A team belonging to James Schaffner, a farmer, took fright this evening and ran away up Mill street, dashing into a lighter vehicle, in which were P. J. Muir, a groceryman, his wife and little child. The frightened horses actually climbed into the buggy, trampling the
