DAYTON HERALD

FRIDAY, DECEMBER 13 1901.

The DAYTON HERALD and Frank Leslie's Popular Monthly one year $1.80. The Double 25th Anniversary Number and the superb Christmas issue of the Monthly, and the beautiful 1902 Art Calendar, entitled "The Popular American Actresses and their Favorite Flower," included in the above offer. This would make a nice Christmas present for a friend.

While our own exports to Canada have in the ten-year period increasing nearly 150 per cent those of the United Kingdom to British Columbia show a slight decrease; while our exports to British North America show a slight decrease; while our exports to British Africa have increased over 400 per cent, the United Kingdom have increased but about 40 per cent; while our exports to Australia have increased more than 125 per cent, those of the United Kingdom have slightly decreased, and while our exports to Japan have increased 475 per cent, those of the United Kingdom have increased but about 100 per cent — O P. Austin in December National.

THE FUTURE OF THE HOLY LAND. —Palestine is not destined to be simply a pastoral country The suburbs of Jerusalem and Jaffa are increasing at such a rate that one almost foresees the time when Jerry building will be traced to Jericho. The bulk of the Jews live in towns in Jerusalem, in Tiberius in Safed, and for these Jews urban industries must be created — olive wood carving, embroidery, ready made clothes, straw plaiting, basket making, soap and glass manufacture, jam making,—all were suggested at a recent conference of the colonization societies, now at last awake to the actualities of the problem The Jew has set up a weaving room in Jerusalem, the wool and silk of which are placed in Palestine and Egypt A dyeing factory and a lace factory are in preparation —I Zangwill, in Frank Leslie's Popular Monthly for December.

Dogs.—How many people who own dogs, that do not regard their comfort in warmth, cleanliness and food, which should be as systematically looked after as that of a human being. Taking advantage of a dumb animal in this way is a crime It results in filth, and disease, and is as annoying as bed bugs. Some dogs are a pitable sight to behold, fleas drop from them as they go around scattering them everywhere, subjecting those who endeavor to keep clear of this annoying little pest to keep up a scratch, or suffer agony by the active little tormentor. Cleanliness would prevent this annoyance and preserve health Twenty-five cents worth of insectiside powder will keep a dog clean a year, if properly applied. A tablespoonful sprinkled in the dog's box or bed at night for several nights, will do the work. Dogs should have a box of straw and a mat to sleep on if nothing better. Filth is dangerous. It is well known that dogs which go mad, as a rule, have their flesh eaten badly by fleas or dog flies It takes the form of blood poison. The agony and pain cause them to go mad. Even hunger has been known to drive dogs mad. A dog's sense of feeling and scent is keener than the human; it can be imagined what they suffer from neglect. Those who are not able to keep a dog—properly care for and feed them—should get rid of them at once. Chickens and pigs are often neglected in the same manner as dogs, and sicken and die Those who neglect and allow animals to suffer in this manner, should be compelled to change places with them for awhile, to bring to their beclouded minds the awfulness of the crime of neglect Medical journals give instances where hogs that have been filthy with vermin and their flesh in a feverish state, when killed and their flesh partaken of for food transmit a fever that broke out with sores that were strange and difficult to cure. The poor neglected dog, with his flesh perforated sores should, for the health of others, be taken from their owners and cared for. Many faithful, good horses and cows starve to death every winter in this land of plenty. Love and kindness seems not to be prevailing sentiment.

PEACE AND MERCY.

No one can reasonably hope for good health unless his bowels move once each day. When this is not attended to, disorders of the stomach arise, biliousness, headache, dyspepsia and piles soon follow. If you wish to avoid these ailments keep your bowels regular by taking Chamberlain's Stomach and Liver Tablets when required. They are so easy to take and mild and gentle in effect. WILLIAM McKINLEY.

HIS LIFE AND WORK, BY THE MEMORIAL PUBLISHING ASSOCIATION.

We have made clubbing arrangements with the Chicago Inter Ocean for the sale with that paper and ours of one of the best memorial volumes issued, containing the life of our lamented President, William M Kinley.

The writer of the same was a lifelong friend of his, comrade in arms, his associate in Congress, was by his side before he closed his eyes in death, and attended the funeral obsequies at Buffalo, Washington and Canton, Ohio.

The Inter Ocean has secured this work, which makes a good sized octavo volume, 6½x10½ inches. containing nearly 600 pages of matter, and finely illustrated with nearly 200 copper plate pictures, all printed on the best book paper and bound in a most substantial manner in a finely illustrated embossed cover of cloth

As stated above we had several memorial volumes presented to us, and made the selection of this one. It is the determination of this paper to give its readers the best the market affords. We have made arrangements with The Inter Ocean to club the same with our paper, and the volume can be secured by our readers, in addition to the club bing rate, at the nominal price of 75 cents, and 22 cents additional for postage. The volume will sell in any book store readily for $1 50 a copy. Send us your order at once, before the edition is exhausted.

WHAT THE INTER OCEAN OFFERS.

GOOD NEWS FOR SUBSCRIBERS TO HERALD AND THE WEEKLY INTER OCEAN COMBINED.

Never before in the history of newspapers has so liberal an opportunity been accorded the public to participate in a gift distribution of such tremendous size as the one which this paper is now able to present to its readers through an arrangement recently completed with The Weekly Inter Ocean of Chicago.

In the advertising colums of this issue we print a proposition pertaining to the matter in reference, and we strongly advise all our readers carefully to peruse same. Every word in that announcement is sincere, every assertion is honest, every representation is truthful.

Lack of space compels us to boil down in detail as much as possible, but we have on hand a supply of explanatory papers, furnished by our co operator in this big deal—The Weekly Inter Ocean—which we will distribute among those who may become interested.

A WOMAN'S AWFUL PERIL —"There is only one chance to save your life and that is through an operation," were the startling heard by Mrs L. B Hunt of Lime Ridge, Wis., from her doctor after he had vainly tried to cure her of a frightful case of stomach trouble and yellow jaundice. Gall stones had formed and she constantly grew worse. Then she began to use Electric Bitters which wholly cured her. It's a wonderful stomach, liver and kidney remedy. Cures dyspepsia, loss of appetite. Try it. Only 50 cts. Guaranteed. For sale by R. L. Harris.

THE BEST PLASTER.—A piece of flannel dampened with Chamberlain's Pain Balm and bound to the affected parts is superior to any plaster. When troubled with lame back or pains in the side or chest, give it a trial and you are certain to be more than pleased with the prompt relief it affords. Pain Balm also cures rheumatism. One application gives relief. For sale by R. L. Harris

There is nothing like Asthmalene. It brings instant relief even in the worst cases. It cures when all else fails.

The Rev C. F. Wells, of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought that you had overspoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full size bottle."

Rev. Dr. Morris Wechsler,
Rabbi of the Cong. Beni Israel,
New York, Jan 3, 1901.

DRS. TAFT BROS'. MEDICINE CO.,
Gentlemen, oour Asthmalene is an excellent remedy for Asthma and Hay Fever, and its composition alleviates all troubles which combine with Asthma. Its success is astonishing and wonderful.

After having if carefully analyzed, we can state that Asthmalene contains no opium, morphine, chloroform or ether. Very truly yours,
REV. DR. MORRIS WECHSLER.

AYON SPRINGS, N. Y., Feb. 1, 1901.

DR. TAFT BROS'. MEDICINE CO.—Gentlemen, I write this testimony from a sense of duty, having tested the wonderful effect of your Asthmalene, for the cure of Asthma. My wife has been afflicted with spasmodic asthma for past 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your windows on 130th street New York, I at once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her Asthman has disappeared and she is entirely free from all symptems. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease.
Yours respectfully,
O. S. PHELPS, M. D.

BROS. MEDICINE CO.—Gentlemn, I was trouled with Asthama for 22 years. I have tried numerous remedies but they have all failed. I ran across your advertisement and started with a trial bottle. I found relief at once. I have since purchased your full-size bottle, and am ever grateful. I have family of four children, and for six years was unable to work. I am now in the best of health and doing business every day. This testimony you can make use of as you see fit.
