

AN ANARCHIST UPON THE SALOON.
Some months ago a Chicago anarchist was convicted and became engaged in a Christian work. He was prominent at the time of the Hay market riot and was assistant editor of an anarchist paper of that city. Not long since he made some comments on the saloon in connection with anarchy that were by no means complimentary to the saloon. Remember that he speaks as one who had abundant opportunity to know the truth of his words: While at a Baptist church he said: "You can never drive anarchy out of Chicago until you drive the saloon out of the saloon is the habitat of anarchy, and every anarchist plot is hatched out in a saloon, under a saloon, or over a saloon."

Major-General Fitzhugh Lee recently called on the President. It was not long ago that Colonel Roosevelt applied for a position on General Lee's staff at the commencement of the Spanish-American War. General Lee's call on President Roosevelt shows the American way of reversing things. As the distinguished Southerner came out, he cordially greeted Captain Lee, the veteran doorkeeper at the White House. Some few years prior to the Civil War, during a desperate brush with the Indians on the plains of the West, the then private Lee saved the life of young Lee, who was a lieutenant in Colonel Robert E. Lee's regiment—Joe Mitchell Chapple in January National.

St. Valentine's Day and Washington's Birthday divide honors in the February Designer, which contains Valentine verse, Valentine amusements for the children, Washington's Birthday, a Washington's Birthday comedy, and illustrated directions for dressing the hair in the Washington style. Three capital short stories are "Aunt Lina's Conjurin'" by Will Harben, "Her Son's Wife," by Margaret Williams Boardley, and "Miss Clarissa's Smiles Factory," by Mary Knight Potter. "The Hygienic Pantry and Storehouse," "Household Advice," prominent among the fashion features is "Costumes for Elderly Ladies," beautifully illustrated, and containing such information as is needed by those desiring dignified and appropriate apparel. A new departure in The Designer, and one which will be highly appreciated, consists of fully illustrated instructions for the making of stylish hats and bonnets. By the aid of this article any woman with an average knowledge of sewing can turn out a handsome and effective hat or bonnet at reasonable cost.

The Capital Journal of Salem, is strongly advocating that all state officials be placed on a reasonable salary, and that all fees be placed in the state treasury. By so doing, the Journal claims that \$50,000 a year, at least, could be saved to the taxpayers. A reduction in compensation of \$25,000 a year could be made and still pay salaries larger than other states pay, it is claimed, and at the same time convert \$25,000 of fees into the state treasury, thus effecting a change of \$50,000 a year in favor of the taxpayer. Governor gets a constitutional salary of \$1,500 a year and salaries on boards and commissions of \$2,750. Annual appropriations the past year for his office \$6,950. The superintendent of public instruction gets a salary of \$2,500, and appropriations for his office, including clerical aid, amounts to \$12,687.35 per annum. State Treasurer gets \$5,311.87 salary and \$2,900 a year for clerical services. Secretary of State gets \$2,850 in salaries, \$14,643.01 in fees, and \$8,983.55 a year from the legislature for clerical services in his office. Of the fees he turns over \$3,134.55, which leaves a net annual total for running his office of \$22,842.01. Appropriations for State Printer for four years, including 1901-2 are \$126,424.24 not including deficits to be made up by the next legislature, or \$31,806.06 per annum for printing and binding. The Journal suggests that as a new term of four years begins after the next election, the matter should be now discussed and the proper salary figures put into the state platform. That would be prop-

er. A saving of \$50,000 a year in the expense of running affairs of state, is worthy of special effort on the part of taxpayers to secure.

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards Are Being Cured Daily in Spite of Themselves.

No Nauseous Doses. No Weakening of Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison and nerves shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvellous transformation of thousands of drunkards into sober, industrious and upright men.

Wives cure your husbands! Children cure their fathers! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee and tea, and believe to-day that they discontinued drinking of their free will. Do not wait. Do not be deceived by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of one dollar, thus placing within reach of everybody a treatment more effective than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept H 382 EDWIN B. GILES & CO., 2330 and 2332 Market St., Philadelphia. All correspondence strictly confidential.

A DEEP MYSTERY.—It is a mystery why women endure backache, headache, nervousness, sleeplessness, melancholy, fainting and dizzy spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney trouble," writes Miss Phoebe Cherley of Peterson, Ia., "and a lame back pained me so I could not dress myself, but Electric Bitters wholly cured me, and altho' 73 years old, I am now able to do all my household work." It overcomes constipation, improves appetite, gives perfect health. Only 50c at R. L. Harris' drug store.

A PROMINENT CHICAGO WOMAN SPEAKS.—Prof. Roxa Tyler of Chicago, Vice-President Illinois Woman's Alliance, in speaking of Chamberlain's Cough Remedy, says: "I suffered with a severe cold this winter which threatened to run into pneumonia. I tried different remedies but I seemed to grow worse and the medicine upset my stomach. A friend advised to try Chamberlain's Cough Remedy and I found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale by R. L. Harris.

A WOMAN'S AWFUL PERIL.—"There is only one chance to save your life and that is through an operation," were the startling words by Mrs. L. B. Hunt of Lime Ridge, Wis., from her doctor after he had vainly tried to cure her of a frightful case of stomach trouble and yellow jaundice. Gall stones had formed and she constantly grew worse. Then she began to use Electric Bitters which wholly cured her. It's a wonderful stomach, liver and kidney remedy. Cures dyspepsia, loss of appetite. Try it. Only 50c. Guaranteed. For sale by R. L. Harris.

Don't forget that G. L. Lonsdale's sawmill will repair your shoes and harness in good shape.

A Change in Business.

We desire to give McMinnville and vicinity a better service in the line of building materials. What we need is a mill nearer our city, and, better yet, a mill situated in our fair, growing city, where Lumber, etc., can be made the year round, giving employment to a larger number of men, supplying material during winter months, and, above all, keeping our money at home and distributing it among our business men and employees, instead of sending it away to build up other communities to our loss.

ALARGE BODY OF EXCELLENT TIMBER.

consisting of White and Yellow Fir, Cedar and Hardwood. This body of Timber is available to our city, but will require a large amount of capital to handle the enterprise, and if we can reduce our stock sufficiently to get the required capital, we will be able to give our patrons the benefit of the saving in the long haul from our present mill, which means a saving of at least \$2 a thousand on Lumber. To secure this capital, and to secure it quickly, we commenced

On January 10, 1902, A Sale Strictly for Cash

of our Entire Stock of Goods, consisting of Lumber, Sash and Doors, Mouldings, Paints, Oils, Glass, etc., etc. We have a large stock of strictly first-class Finishing Lumber under our sheds, and it will pay those contemplating building during the coming season to take advantage of this sale and secure strictly first-class Dry Lumber at a price that will never be equaled again.

TO DEALERS who handle small stocks of Mouldings and Shop Work, etc., here is a chance to secure your Spring Stock at a money-making price. Send in your list of goods wanted in this line, and let us quote you prices.

We have one of the largest stocks of Paint Brushes in the valley, and to Painters or Dealers this will afford an opportunity to lay in your season's stock of high-grade brushes at little money. In fact, everything that we carry in stock will go at some figure. In addition to our stock of goods we will offer our

SASH AND DOOR FACTORY FOR SALE

located in McMinnville. Also Four Head of Work Horses, Five Work Cattle, several Wagons, Harness, etc., etc. Come and make us an offer on same. No discount on any line of goods except for Spot Cash. All goods sold and entered on book, even for one day, will be entered at regular prices.

We have just added a Shingle Mill to our sawmill in the mountains, and Shingles will not be sold at a discount. All amounts due must be settled at once. If not paid by February 1st, will be handed to an attorney for collection. If you desire to help us in this enterprise, come in and pay up and buy something for your spring repairs.

A WORTHY SUCCESSOR.

"Something New Under the Sun." All doctors have tried to cure Catarrh by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membrane, causing it to crack and bleed. The powerful acids used in the inhalers have entirely eaten away the membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and expert practitioner who has for many years made a close study and specialty of the treatment of Catarrh, has at last perfected a Treatment when faithfully used, not only relieves at once, but permanently cures Catarrh, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "Snuffles the Guaranteed Catarrh cure" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use. "Snuffles" is the only perfect Catarrh cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures inflammation quickly and permanently and is also wonderfully quick to relieve Hay Fever or Cold in the head.

Catarrh when neglected often leads to Consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but complete treatment which is positively guaranteed to cure Catarrh in any form or stage if used according to directions which accompany each package.
