

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards Are Being Cured Daily in Spite of Themselves.

No Nauseous Doses. No Weakening of Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison and nerves shattered by periodic or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

Write your husband! Children "cure your fathers!" This remedy is no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soothing and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee and tea, and believe to-day that they discontinued drinking of their free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of one dollar, this placing within reach of everybody a treatment more effective than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of one dollar. Address Dept H 202 EDWIN B. GILES & CO. 2330 and 2332 Market St., Philadelphia. All correspondence strictly confidential.

In going over the famous "Shasta Route" of the Southern Pacific Co the traveler ever finds something new to excite his admiration and interest. Starting at Portland, one traverses the whole length of the Willamette Valley, the gem of the Northwest. Mt Hood Mt Jefferson, and the Three Sisters and other snow-capped peaks are kept in sight for hours. The beautiful valleys of the Umpqua and Rogue rivers, with their orchards of peaches, prunes, apples and other fruits are a delight in themselves. The crossing of the great mountain barrier between Oregon and California reveals the grandest mountain scenery in the United States. The wonderful turnings, twistings and doublings of the railroad bring into view a grand array of towering mountains and profound gorges into which we gaze from dizzy heights. Forest clad mountains slope stretching up to the line of perpetual snow, and the mountain streams dashing fiercely down deep canyons, now and then stopping for a short rest in some quiet pool. After a day's enjoyment of old Mt Shasta, the forest peak on the continent, we drop rapidly down the canyon of the Sacramento Valley in California, and thence through vineyards and orchards to San Francisco.

PURE AIR.—I wonder how many

housekeepers know that the air of their rooms in winter is often laden with poisonous vapors. Decaying vegetables in the cellar, old flowers in stagnant water, somebody's neglected garbage-pail, even a badly ventilated room—all of these are responsible for unhappiness, peevishness and sickness. Rooms may be warm and pure. The cold room is not always the well-ventilated one. Attention to the air we breathe is as necessary as the food we eat.—March Woman's Home Companion.

A WORTHY SUCCESSOR.

"Something New Under the Sun." All doctors have tried to cure Catarrh by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membrane, causing it to crack and bleed. The powerful acids used in the inhalers have entirely eaten away the membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and expert practitioner who has for many years made a close study and specialty of the treatment of Catarrh, has at last perfected a treatment when faithfully used, not only relieves at once, but permanently cures Catarrh, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the affected parts. This wonderful remedy is known as "Snuffles the Guaranteed Catarrh Cure" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use. "Snuffles" is the only perfect Catarrh Cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures inflammation quickly and permanently and is also wonderfully quick to relieve Hay Fever or Cold in the head.

Catarrh when neglected often leads to Consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but complete treatment which is positively guaranteed to cure Catarrh in any form or stage if used according to directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond regular price of "Snuffles" the Guaranteed Catarrh Cure. Sent prepaid to any address in United States or Canada on receipt of One Dollar. Address Dept H 202 EDWIN B. GILES & COMPANY, 2330-32 Market St., Philadelphia.
