NOT OVER-WISE—There is an  
 old allegorical picture of a girl  
 scared at a grasshopper, but in the  
 act of heedlessly treading on a  
 snake. This is paralleled by the  
 man who spends a large sum of  
 money building a cyclone cellar,  
 but neglecting to provide his fam-  
 ily with a bottle of Chamberlain's  
 Colic, Cholera and Diarrhoea Rem-  
 edy as a safeguard against bowel  
 complaints, whose victims outnum-  
 ber those of the cyclone a hundred

Samples of wheat have been  
 left at the HERALD office, which  
 was grown on F. A. Post place  
 in the Willamette river bottom,  
 that made yield of 75 bushels to  
 the acre. What is more wonder-  
 ful, the land on which the wheat  
 was raised had never been  
 plowed.

Mr. Warren Buckman, wife and  
 sons Lorren and Homer, from  
 Sacramento, Cal., are the guests  
 of Mr. and Mrs. R. B. Miller. Mrs.

 who have been visiting their old  
 home in Canada and the state of  
 New York, are expected to arrive

 son, Rev. Milton Corner. On their

 ters Misses Martha and Emily, of  
 Spokane, who have been here  
 keeping house during their par-  
 ent's absence, will return to  
 Spokane and resume teaching in  
 the public schools.

The work of building dams at  
 the head of Lambert's slough,  
 and vicinity, just below Wheat-  
 land, having been completed by  
 those employed by the govern-  
 ment to do the work, the pile  
 driver and men were moved  
 down the river. A part of the  
 crew of men are working at Five  
 Islands, and others at Candiana  
 Bar, or Devil's Bend just below  
 Weston, repairing winddams and  
 blasting out snags. The pile  
 driver and crew are at Weston  
 landing repairing the dam at  
 that place. The government snag  
 boat has been laid up this year,  
 on account of no appropriation  
 having been made by Congress  
 to operate it. Couldn't another  
 congressional committee be ap-  
 pointed by Congress, to investi-  
 gate, ascertain just what is needed,  
 and the sum required to make  
 the Willamette river navigable  
 all the year. Then let Congress  
 appropriate sufficient money to  
 do the work in a proper and sub-  
 stantial manner. Selecting men  
 for the committee who have a  
 knowledge of the work to be  
 done, and who have an interest  
 in seeing it accomplished. Men  
 who will examine the river, and  
 who will not go off on the rail-  
 roads on a junketing expedition.

### RINGLING BROS. EXCURSIONS

Special excursion rates on all  
 lines of travel have been arranged  
 for by the management of Ringling  
 Brothers' World's Greatest Shows.  
 Those who wish to go to Portland  
 where this great circus exhibits Monday  
 and Tuesday, August 24 and 25  
 can do so at very little expense.  
 This will be the only point in this  
 vicinity where the show will exhibit  
 this season, and no one should miss  
 the opportunity to witness it. Ring-  
 ling Brothers' circus has been  
 the leading arctic exhibition of  
 America for years, but the show has  
 never been permitted to rest upon  
 its reputation. Although it long  
 ago passed the point of competition,  
 every season it becomes a grander  
 show. This year's perform-  
 ance is entirely new, and en-  
 tails the combined efforts of 375  
 wonderful artists in the equestrian,  
 gymnastic, equilibristic, acrobatic  
 and aerial line, together with forty  
 famous clowns and hundreds of  
 lesser lights. Six hundred and  
 fifty horses are used, and a thou-  
 sand trained animal department is  
 presented. The circus this season  
 is greatly enlarged by the specta-  
 cular production of Jerusalem and  
 the Crusades, a pantomimic presen-  
 tation of the well known and beau-  
 tiful historic narrative of the Cru-  
 saders. The vast menagerie has  
 among hundreds of features the  
 only living pair of giraffes, the first  
 baby elephant successfully bred  
 and reared in America, and the  
 only rhinoceros in captivity.  
 There is a gorgeous revival of the  
 Roman—hippodrome races, and  
 many other stupendous features in  
 this great circus. Circus day opens  
 with a brilliant street parade, three  
 miles in length. Don't fail to see it.  
 L. R. Rosner, acting P. M. dur-  
 ing Postmaster Detmering's absence  
 to the coast, with the assistance of  
 Albert Detmering, made quite a  
 transformation in the postoffice  
 building with paint and brush.  
 The outside and inside of building  
 was painted and the postoffice boxes  
 brightened up with varnish, and  
 the room newly papered, in the lat-  
 ter work they were assisted by Ol-  
 iver Watson, the expert paper hang-  
 er and painter. Leonard and Albert  
 are expert artists.

ENTERTAINMENT.—The G. A.  
 R. and Woman's Relief Corps  
 will give an entertainment in  
 Nichols' hall, Saturday evening,  
 August 29. An excellent pro-  
 gram is being arranged for  
 the entertainment. Admission  
 10 cents. Ice cream will be served  
 at the chapel; cream with cake,  
 at the home of Mrs. M. Snyder.

The ladies are good at entertain-  
 ing.

Claude Huddleston, one of "Un-  
 cle Sam's boys" at Vancouver bar-  
 racks, Wash., was here last week  
 visiting his parents, Mr. and Mrs.  
 F. Huddleston. He informed pub-  
 lisher of HERALD that in about two  
 weeks the soldiers at the barracks  
 would take their annual "outing"—  
 practice march and camping out.  
 Their camping place this year will  
 be at American Lake, Wash., about  
 12 miles from Tacoma. They will  
 probably remain in camp two weeks  
 or a month.

D. A. Snyder, who was in Van-  
 couver, Wash., on business the first  
 of this week, while there called on  
 his old friend M. M. Banister, pro-  
 prietor of the Columbian, and former  
 editor and publisher of DAYTON  
 HERALD. Mr. Snyder informs us  
 that Mr. Banister has a complete  
 and well equipped printing office—  
 having all modern conveniences.  
 Mrs. Banister who has been ill sev-  
 eral months is recovering.

Mrs. Mollie Allen, of South Fork,  
 K., says she has prevented attacks  
 cholera morbus by taking Chamber-  
 lain's Stomach and Liver Tablets  
 when she felt an attack coming on.  
 Such attacks are usually caused by  
 indigestion and these Tablets are  
 just what is needed to cleanse the  
 stomach and ward off the approach-  
 ing attack. Attacks of bilious colic  
 may be prevented in the same way.  
 For sale by R. L. Harris.

Mr. Stansberry who has been  
 visiting her parents, Mr. and  
 Mrs. C. Litcher, returned to her  
 home at Portland on Monday.

You will have to hurry up, as  
 those goods will not last long at  
 the closing out store of Patter-  
 son, Jones & Co., Dayton.

 J. W. FISHBURN.

## UNUSUAL BARGAINS.

What They Are and Where They  
 Are Found.

A bargain is a superior article at a price considerably below what is  
 usually asked for it, not a cheaply gotten up affair which sells at a low  
 price. Investments in the latter never fail to prove unsatisfactory and  
 expensive. What the people want is a good piano, one that will produce  
 full, rich, sweet and lasting tones. It costs something to produce such  
 pianos. It costs something to handle, care for, and sell them. If a  
 fine piano can be purchased at a saving of from \$75 to \$300, it is cer-  
 tainly an unusual bargain, and this is the saving which the purchasers  
 at our store are assured of at all times.

With an immense business covering the entire northwest, which is  
 conducted in the most economical and saving manner; shipping in large  
 quantities for four large stores, and securing the very lowest freight and  
 factory rates, handling our pianos in harness, instead of expensive boxes;  
 using our own drays and teams, and having a warehouse of our own to  
 store our pianos in, enable us to make a great saving in handling the  
 pianos we have to sell. In addition to this big sales and little profits in  
 our policy. These items make it easy to see why this store can and does  
 undersell all others, and why it is to the advantage of purchasers to in-  
 vestigate our pianos and our prices before buying. If you cannot call  
 at our store write for catalogue and price.
