One of the greatest blessings a
modest man can wish for is a good,
reliable set of bowels. If you are
not the happy possessor of such an

pleasant to take and agreeable in
effect. For sale by R. L. Harris.

whooping cough." This remedy
keeps the cough loose, lessens the

spiritual and temporal healing

We are informed that the Italian
prunes have about all been killed,
not by frost, but by cold rains, at
the time the bloom was about to
come out. Petite prunes are all
right. There is a good prospect for
a large crop of peaches, apples and
other fruit. The heavy frost of ten
days ago did no injury to fruit, as
during the day it was foggy and
cloudy, and the sun had no effect
to damage the fruit buds.

QUICK ARREST.—J. A. Gullaged
of Verbena, Ala. was twice in the
hospital from a severe case of piles
causing 24 tumors. After doctors
and all remedies failed, Bucklen's
Arnica Salve quickly arrested the
inflammation and cured him. It
conquers such and kills pain.

The work of digging ditches for
the water pipes of the Dayton water
works is about completed. The
work of laying pipes will commence
next week. It will not be long un-
til the long laid of water system
for this town is an accomplished
fact. This is one thing that the
Board of Trade has carried through
to completion, for the benefit of the
town notwithstanding the diversity
of opinions as to cost, etc. Centen-
ary in your efforts, gentlemen, for
the improvement of the town and
vicinity, and you will have satisfac-

engaged in a good work, and even
those who now differ with you will
be brought to a realization that you
are on the right track.

Dr. R. P. Mortensen, a gradu-
ate from a regular school of
medicine, has taken charge of
my office and practice here. He
has had much experience in
hospital practice, and comes
here highly recommended both
as a physician and gentleman.

believe he is fully competent to
give general satisfaction.

News: Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his med- icines failed to give any relief. A friend who had a bottle of Cham- berlain's Colic, Cholera and Diar- rhea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and be- fore using entire contents we were entirely cured. It is a wonderful remedy and should be found in ev- ery household. H. C. Bailey, edi- tor. This remedy is for sale by R.
