MARRIED.

FRANKLIN — DeFORD — A delightful wedding took place on Wednesday at 8:30 p. m. January 4, 1905, at the home of Mr. and Mrs. William Dial 113 Indiana Avenue, Spokane, Washington, when Miss Lucile DeForde, formerly of Dayton, was united in marriage to Mr. C. F. Franklin, of Omaha, Neb.

Rev. W. J. Hoadley of the Congregational church, was the officiating clergyman. The wedding march from "Lohengrin," was played by Miss Georgie Barnhart, cousin of the bride. She wore pale blue crepe de chene. The bride was hand somely gowned in white silk French lawn over a white silk drop skirt, with pearl trimmings, and carried a bouquet of white carnations, while her bridesmaids, Miss Beulah Dial and Miss Edna Barnhart wore gowns of point de esprit net over pale pink, and carried pink roses.

Hallie Barnhart being ring bearer, led the way to the parlor, followed by the bride leaning on the arm of her uncle, Wm. Dial, then came the groom with Mr. Jasper Kier, who acted as best man. Mr. Claude Wilson, in his pleasing manner, sang, "O Promise Me." After the ceremony the dining room doors were thrown open and the gay company sat down to an elegant dinner served by Mrs. Dial and Mrs. Barnhart, aunts of the bride. The many handsome presents received, including cut glass, silverware, linens and hand painted china, by Mr. and Mrs. Franklin, attest the esteem in which the young people are held. The bride is well known here and was a general favorite with all and she has the best wishes of many friends for a long and happy life. The groom is a young business man of Omaha, for which place they left on the Thursday morning train, and where they will make their future home.

CURED HIS MOTHER OF RHEUMATISM.—"My mother has been a sufferer for many years from rheumatism," says W. H. Howard of Husband, Pennsylvania. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without now and is at all times able to walk, an occasional application of Pain Balm keeps away the pain that she was formerly troubled with." CURED LUMBAGO.—A. B. Casman, Chicago, writes March 3, 1903. "Having been troubled with Lumbago, at different times and tried one physician after another, then different ointments and liniments, gave it up altogether. So I tried once more and got a bottle of Ballard's Snow Liniment which gave me almost instant relief. I can cheerfully recommend it, and will add my name to your list of sufferers. Sold by R. L. Harris

Dayton, Oregon.

Dr. Marsh:

Dear Sir—Having suffered for years with stomach trouble, violent pains in the head, at times not being able to do anything, and trying different remedies without effect, I must say that after your first adjustment I was relieved. I have taken six adjustments and I feel like a new man. I can cheerfully recommend you to a suffering public.
