A DANDY FOR BURNS.—Dr. Bergin, Paas, Ill. writes: "I have used Ballard's Snow Liniment; always recommended it to my friends as I am confident there is no better made 'It is a dandy for burns.' Those who live on farms are especially liable to many accidental cuts, burns, bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency." 25c, 50c and $1 Sold by R L. Harris.

HOW THE JEWS GET THE BEST OF IT.—It is now a well known fact that the contents of a Jewish kosher market is superior in freshness and in the health of the creatures slain to the stock of Gentile markets carrying the same grade and variety of meats. In a big city abattoir where a sochet was for years employed, only animals free from all blemishes were slain for Jewish consumption "Send that to this or that public market," was the order as soon any imperfection was found—and the Christian got the animal the Jew refused.—Woman's Home Companion for May.

RHEUMATIC PAINS QUICKLY RELIEVED.—The excruciating pains characteristic of rheumatism and sciatica are quickly relieved by applying Chamberlain's Pain Balm. The great pain relieving power of the liniment has been the surprise and delight of thousands of sufferers. The quick relief from pain which it affords is alone worth many times its cost. There was quite an electric storm, for this section, Tuesday evening. It was accompanied with a strong wind and hail. It reported that in the Webfoot neighborhood, the hail fell so thick that it could have been scooped up by the shovelfull, and considerable fruit knocked off by the hail, and wheat somewhat cut up and ground packed. At Salem, although there was some sharp flashes of lightning and heavy thunder, there was but little hail. In several instances in that city, electric lights were cut off by the lightning.

A fine time is assured. Everybody invited,

There is a probability that the boat landing at Weston, will be changed from Senn's place to Borie's, a hundred yards or more down the Willamette river. The road at the present landing is in such condition—having been partly washed away, and cannot be repaired without much work in cutting down the bluff—that it is almost impossible, and not safe for teams to pass over. We have been informed that should the landing be changed to Boirie's, that a small shed or house will be put up with a stove in it, for the benefit of those in waiting for the boat. In conversation with emp oyees of the Oregon City Transportation Co. lately, and Captain Graham at a former date, the writer was given to understand that the change would be made. If so It will be announced in the HERALD, and then boats would not stop at the old landing. The proposed new landing is a much pleasanter place to loiter away time while waiting for the boat; and a shelter and fire preferable to exposure to cold and rain.

ANNIVERSARY CELEBRATION.—The anniversary of the meeting of pioneers which gave the United States Government the title to the "Oregon Country," will be celebrated at Champoeg, Marion county, Tuesday, May 2. F. X. Mathieu, who was one of the participants at that meeting, expects to be present at the celebration. Mr. Mathieu is the sole remaining pioneer of 1842 and earlier dates. He is now 87 years of age. When he came to the Oregon Country he was but 16 years old; and made his home at French Prairie, a very fertile section of the Willamette Valley, between Salem and Portland. Four years after his arrival in Oregon, he located a donation claim on French Prairie, Marion county, which has been his home since. Although a boy in years, he was one of the number who gathered at the pioneer town of Champoeg, on the banks of the Willamette river, May 2, 1843, for the organization of a local government. Ex Governer Geer and R G. Smith, of Josephine county, will deliver addresses.

Co., will leave Dayton, Tuesday, May 2, at 8 o'clock a. m, and Newberg at 9 a. m., for Campoeg The O R. & N. steamer Ruth will leave Champoeg at 4 p. m on the return trip to Dayton; thus giving all who wish to attend the celebration ample time to take in the whole affair. DIED.

SEESE.—On the 14th of April, in the hospital at Portland, Oregon, Eli Seese aged 60 years, 10 months and 18 days

Brother Seese was born near Dayton, Ohio, in 1844. On November 1, 1866, he was married to Miss Samantha Paulin. After a residence of five years in Indiana, he, with his family, in the fall of 1871, came to Yamhill county, Oregon, and located on a farm near Dayton, where, by his honest, diligent toil he acquired a good home, and raised his family in honor. Of late years, he, with his family, have been residents of Newberg.

His illness, caused by kidney trouble, extended over two years, and grew in severity, necessitating a dangerous operation, from which he could not rally. He leaves his wife and three daughters, Mrs. Chas. K. Spaulding, of Newberg; Mrs. John Grimes, and Mrs. J. B. Crabtree, in Pleasantdale neighborhood; a sister, and many friends to mourn his departure.

At his request, his remains were brought from his family residence in Newberg, to Dayton, Or., for interment, and the funeral services were held in the Evangelical church. For many years he was an active and honored member of the Evangelical church. Rev. J. Bowersox, of Portland, preached the funeral sermon. The large concourse of people who attended showed the high esteem in which, as a friend, neighbor, citizen and christian, deceased was held. The body was buried in I. O. O. F. cemetery at this place on Sunday last.
