THRICE-A-WEEK EDITION

Read Wherever the English Language is Spoken.

The most valuable paper for you is the New York Thrice-a-Week World, because it offers you more at the price than any other paper published anywhere in the world.

This is a time of great events. The Thrice-a-Week World comes to you every other day, except Sunday, with all the news, fully, accurately and promptly told.

The Thrice-a-Week World is fair in its political reports. You can get the truth from its columns, whether you are Republican or Democrat, and that is what you want.

The Thrice-a-Week World always has a serial story running, and it is always a first class story by a first class author. Publishes better fiction than any other newspaper in the United States. Special attention is also given to markets, and there are many other valuable features. The Thrice-a-Week World's regular subscription price is only \$1 per year, and this pays for 156 papers. We offer this unequalled newspaper and DAYTON HERALD together one year for \$1.70.

NOTICE—The publisher of HERALD has never, through the paper, asked subscribers to pay subscription. As we now need money in our business, we respectfully ask all those in arrears for subscription to call and pay up. This has been a prosperous year, and almost any one can raise the small sum they may owe for the paper.

When crossing the Willamette from Polk or Yamhill counties, try the Wheatland ferry.

Filer & Son, the Dayton grocery men keep their store well stocked with the latest in the grocery line. They sell as low as the lowest.
