## U'REN CRIES OUT TO FELS FOR CASH

**Single Taxers Make Claim for Funds to keep Army of Paid Workers Going—Farmers and Businessmen in Fight**

Indications have been furnished in Portland of the tremendous sum of money that is to be expended to force down the throat of the state the Single Tax doctrines of Henry George.

Because there seems to be a temporary financial stringency, W. S. U'Ren is sending back an earnest call to Joseph Fels and the other millionaire subscribers to the Single Tax Fels Fund. He is using a club, too.

**U'Ren Asks for Books.**

Mr. U'Ren's club is proof of the work being done by the Oregon Equal Taxation League, the organization of farmers and business men that is combatting Single Tax.

U'Ren called up Charles H. Shields, secretary of the league, and asked for 50 copies of "Single Tax Exposed" the work that is being distributed by the league.

"Why," said Mr. Shields, "I know what you want them for. You intend to send them back to the subscribers of your fund and get more money, don't you?"

**"Er—Er—" Says U'Ren.**

"Er—er—er—" began Mr. U'Ren, but he ended by admitting the truth.

"Sure you can have the books," said Shields, "and I trust that they prevent you from getting a single other subscription by converting all the men whom you intend to reach.

"You know and I know, that Single Tax is just a trick and a snare."

But Mr. U'Ren did not answer.
