Peculiar After Effects

of Grip This Year

Leaves Kidneys in Weakened Condition

Doctors in all parts of the country have been kept busy with the epidemic of grip which has visited so many homes. The symptoms of grip this year are often very distressing and leave the system in a run down condition, particularly the kidneys which seem to suffer most, as almost every victim complains of lame back and urinary troubles which should not be neglected, as these danger signals often lead to dangerous kidney troubles. Druggists report a large sale on Dr. Kilmer's Swamp-Root which so many people say soon heals and strengthens the kidneys after an attack of grip. Swamp-Root is a great kidney, liver and bladder remedy, and, being an herbal compound, has a gentle healing effect on the kidneys, which is almost immediately noticed in most cases by those who try it. Dr. Kilmer & Co., Binghamton, N. Y., offer to send a sample size bottle of Swamp-Root, on receipt of ten cents, to every sufferer who requests it. A trial will convince any one who may be in need of it. Regular size bottles 50 cts. and \$1.00. For sale at all druggists. Be sure to mention this paper.

Polly (to big sister's admirer)—Guess what father said about you last night.

Adolphus—Oh, I couldn't guess, weally.

Polly—I'll give you a peach if you can guess.

Adolphus (flustered)—Oh, Polly, I haven't an idea in the world.

Polly—Urr—you was listening.—Sydney Bulletin.

Tackle Catarrh Now

Be Free All Winter

Avoid Colds, Stall Pneumonia, Keep Your Nose

Clear and Your Throat Free.

Don't Wait Till You're All Bunged Up. Use S. S. S. Now.

If you will go into any first class store and get a bottle of S. S. S. you are on the way to getting rid of Catarrh. But don't let anyone work off that old trick of something "Just as good."

S. S. S. is taken into the blood just as naturally as the most nourishing food. It spreads its influence over every organ in the body, comes through all the veins and arteries, enables all mucous surfaces to exchange inflammatory acids and other irritating substances for arterial elements that effectually cleanse the system and thus put an end to all catarrhal pollution.

S. S. S. cleans out the stomach of mucous accumulations, enables only pure, blood-making materials to enter the intestines, combines with these food elements to enter the circulation, and in less than an hour is at work throughout the body in the process of purification.

The medicinal components of S. S. S. are relatively just as essential to well-

balanced health as the nutritive properties of the grains, meats, sugars, and fats of foods. Any local irritating influence in the blood is rejected by the tissue cells and eliminated by reason of the stimulating influence of S. S. S.

You will soon realize its wonderful influence by the absence of headache, a decided clearing of the air passages, a steadily improved nasal condition, and a sense of bodily relief that proves how completely catarrh often infests the entire system.

You will find S. S. S. on sale at all drug stores. It is a remarkable remedy for any and all blood affections, such as eczema, rash, lupus, tetter, psoriasis, boils, and all other diseased conditions of the blood. For special advice on any blood disease write to The Swift Specific Co., 202 Swift Bldg., Atlanta, Ga.

Do not trifle with substitutes, imitations or any of the horde of "Just as good" Counterfeits of S. S. S.
