Write to Folks "Back East"

The Portland Chamber of Commerce invites all Oregon civic and business organizations to undertake a great movement for the purpose of interesting tourist travel to Oregon and the Northwest in 1916. It is to be known as Letter-Writing Week, beginning Jan. 17 and ending Jan. 22. From Portland alone it is figured that two million letters will be sent out during those six days.

TRIBUTE TO THE COW

Little do we realize the debt we owe the cow. During the dark ages of savagery and barbarism we find her early ancestors natives of the wild forests of the world. As the bright rays of civilization penetrated the darkness of that early period and man called upon the cow she came forth from her seclusion to share in the efforts that gave us a greater nation and more enlightened people.

For 2000 years she has shown her allegiance to man, sharing alike in his prosperity and adversity, responding nobly to all that was done for her, until through her development, she became an idol of the people of her native country.

In 1493, when Columbus made his second voyage to America, the cow came with him—and from that time to the present day she has been a most potent factor in making this, our own country, the greatest nation, with the highest type of womanhood and manhood history has ever known.

Her sons helped till the soil of our ancestors and slowly moved products of the farm to market. They went with man into the dense forests of the new world, helped him clear for homes, and made cultivation possible for the coming generation—and when the tide of emigration turned westward, they hauled the belongings of the pioneer across the sun-scorched plains and over the great mountain ranges to the new homes beyond.

Truly, the cow is man's greatest benefactor. Hail, wind draughts and floods may come, destroy our crops and banish our hopes, but, from what is left the cow manufactures into the most nourishing and life-sustaining food—and is she not life itself to the thousands of little ones stranded upon the hollow hearts and barren bosoms of modern motherhood? We love her for docility, her beauty and usefulness. Her loyalty has never weakened—and should misfortune overtake us, as we become bowed down with the weight of years, we know that in the cow we have a friend that was never known to falter. She pays the debt, she saves the home. God bless the cow. Little do we realize the debt we owe her.

BOTTLE FLOATED 16 YEARS.

It Was Thrown, With a Note, Into the Pacific Ocean In 1899.

Hoquiam, Wash.—After floating about in the Pacific ocean for years a bottle containing a note, probably written and thrown overboard by one of the officers of the schooner Transit, has been found on the beach by an Indian, Bob Wayne, near Moclipis.

The note was dated Aug. 10, 1899, and was perfectly legible, though the writing and the paper were considerably faded. The message with the note reads as follows:

Schooner Transit, Aug. 10, 1899.—Ten days out from Honolulu, H. I., bound to San Francisco. Weather calm and baffling wind. All is well. Latitude 39 degrees 44 minutes north, longitude 155 degrees 7 minutes west. J. PETERSON.

Wayne found the bottle on the beach after the record high tide of the winter, which followed several days of a heavy offshore blow, which brought in a heavy surf.

LEG BONE PATCHES SPINE.

Altoona Boy Is Now Jubilant After Unusual Operation.

Altoona, Pa.—Kenneth Geist, aged four, is perhaps the happiest child in the United States, for recently he received his discharge from the hospital here.

He was admitted to the hospital on Christmas, 1913, suffering from tuberculosis of the spine. He could neither talk nor walk, and the case was thought hopeless.

The surgeons took a piece of bone from his right leg and inserted it in the place where they removed the diseased vertebra. The operation was successful, and Kenneth can run, talk and play like other boys.

It's a Hummer.

Pine Grove, Ark.—Katherine Lucy boasts of being the possessor of the only brindle Bosco tomcat in these parts. A few days ago tabby brought in a black snake thirty-nine inches long.
