Inquire of E. J. Converse, 2tp.

During the past week we have had a great deal of cold weather and great deal of snow for this section. Of course this has brought into use many of the sleds and cutters that have long lain idle, and many have made new ones. It has been the delight of the young and the old to slide down hill and many sleds and toboggans may be seen on the hill on Main street.

The report has reached us that the users of the telephone along the line, running towards Dundee, received a severe shock a few days ago when the electric wire of the railroad came in contact with the telephone lines. Mrs. James Dundas, who was using the time was knocked unconscious for a short time and one other lady along the line received a severe shock. At the same time the current reached the local switch board and burned off 10 of the different lines. Outside of the above we have heard of no other damage.

The Dayton Evaporating and Packing Company of this city received a letter the fore part of the week from O. M. Eldridge Co., Brokers of Omaha, Nebr. that they had had some demand for more of the production of the Company here and wondered if this company could arrange to put in a larger stock of their goods in that city. This speaks pretty well for the company, showing that their goods are becoming in general circulation throughout the United States, and also these same goods are very much in demand.

A large number of the young people of this city surprised the newly married couple, Mr. and Mrs. Leonard Parrish at the home of the brides parent, Mr. and Mrs. L. J. Shippy last Sunday evening. The young people gained admittance to the house in a mysterious manner and after trying the doors of many of the rooms finally succeeded in finding the newly weds a warning they left the door to give them time to put in an appearance down stairs. In the due course of time Mr. and Mrs. Parrish put in their appearance to find that some forty or fifty of their friends had assembled in the rooms down stairs. After spending a very pleasant evening, the guests departed wishing the newly weds a very happy and prosperous wedded life.

Calf Without Legs or Tail.
Hickman, Ky.—C. G. Higgs, a farmer near here, says that one of his cows gave birth to a "calf and a half," or two calves. One is perfectly normal in every respect, while the other baby bovine was minus legs and tail. Its head and body were of normal size. The "half calf" died, of course.
