LOCAL AND PERSONAL.

The Pleasant Hour Reading club held its first meeting of the year, Oct. 6, at the home of Mrs. Barnard, who is a most delightful entertainer. The club was called to order by the President, Mrs. Sherman who gave her inaugural address in a very pleasing manner and was well received. In part she said she hoped this year would be the very best the club has had, (we all hope so too) but we could not make it a success unless there is cooperation, "In unity there is strength." She urged the members to lay aside their work and the cares of the home for the afternoon and give our best efforts and our endeavors to our work thereby insuring a successful and profitable year for our club. The magazines having failed to reach us we had a miscellaneous program led by Mrs. Harris which all enjoyed.

ASHLAND PRESIDENT FAVORS PENDLETON

NEED OF EASTERN OREGON SCHOOL FULLY SHOWN BY B. F. MULKEY, FORMER HEAD OF ASHLAND SCHOOL.

Portland, Ore.—The Honorable B. F. Mulkey, ex-President of the Southern Oregon Normal School at Ashland, says, concerning the establishment of an additional Normal School at Pendleton: "I shall support the measure heartily for the reason that the present Normal School, though one of the best in the country, cannot be adequate to meet the needs of so large a state as Oregon. There is no institution that touches the masses of the people so closely as does the Normal School and the benefit derived from the taxes paid by the people of the state for the maintenance of such schools returns directly to the man and woman who paid the taxes and is conferred directly upon them and their children. The expense of maintaining a good Normal School in Eastern Oregon to a taxpayer on an assessed valuation of \$4000.00 would each year be under the cost of a good Havana cigar. I sincerely hope that the coming election will grant to the people of Eastern Oregon the relief they seek in a Normal School."

Cautious.

"I've discovered a system by which my employer could get all the work in his office done with half the force he employs now."

"Why don't you tell him about it and earn his undying gratitude?"

"I don't dare to. He might decide that I am one of the men he could do without."—St. Louis Post-Dispatch.

THE ROAD TO RIGHT.

The road to right is not so narrow as some folk would have us believe. It is a bit narrow in one or two places; but, having passed these, it is wide enough for every right desire and high ambition.

"Oregon is unquestionably in need of more normal school work and Pendleton is the logical place for a school of this class in Eastern Oregon."

By J. A. Churchill, State Superintendent of Public Instruction:

"I trust that the voters of the State will assist in raising the standard of our schools by establishing a State Normal School at Pendleton."

By P. L. Campbell, President of the University of Oregon:

"At least one additional Normal School is urgently needed in Oregon."

By W. J. Kerr, President of the Oregon Agricultural College:

By the County School Superintendents of Oregon:

"Resolved, that it is the sense of the County School Superintendents of the State of Oregon, in convention assembled, that the best interests of the schools of the State demand increased facilities for the training of teachers, and that we, therefore, endorse the initiative measure to establish a Normal School at Pendleton."

By Mrs. Charles H. Castner, President of the Oregon Federation of Women's Clubs:

"I most heartily endorse the location of said Normal School at Pendleton."

Prof. Robert C. French, Former President of the Normal School Located at Weston:

"An immediate establishment of such a school at some central point such as Pendleton would prove a great asset to the State of Oregon."

B. F. Mulkey, Ex-President Southern Oregon Normal School:

"I shall support the location of an Eastern Oregon Normal School at Pendleton."

State Board of Regents of Oregon Normal School declares that "the necessity for additional Normal school facilities in Oregon is apparent."

Disgraceful Behavior.

A little girl who had been instructed not to talk in church because it was very rude was very thoughtful after the service, and when questioned she said in a horrified voice:

"Oh, mamma, I think it was just awful for our minister to show off so rudely in church! He talked all the time."—New York Times.
