On the afternoon of April 3, the G. A. R. and W. R. C. tendered a reception and banquet to Comrade Hadley and bride. Felicitations were extended and responded to by the newly weds. After congratulations Mr. and Mrs. Hadley were presented with a beautiful salad bowl. The presentation was made by the president of the corps, Mrs. Buckley, and responded to by Mr. Hadley in a few well chosen words, appreciating the gift and the spirit which prompted it. A social hour was very much enjoyed by all present. At the close of the festivities the W. R. C. held their regular meeting. The members are wondering if there will be another "com-show" soon.

There was a large good natured crowd at our last auction sale here last Saturday. There was quite a variety of goods and stock offered for sale and some of the stuff brought good prices. This will probably be the last sale until later in the season.

Oh! where Oh! where is my "pup" dog gone, Oh! where Oh! where can he be, might have been heard in the Dr. Reitzel neighborhood, a few mornings ago. Never mind Doc, he was last seen at Dan Abdills, and if he takes a liking to a "fat" man, he will stay there, but if he don't "He'll be back."

We suppose it has become generally known by this time that Rev. C. P. Gates of the Evangelical society has been transferred to Corvallis for the coming year. Bro. Gates will be greatly missed by our people, who will regret to see him go away from us, and hope he may be as successful in his new charge as he has been here. The Tribune joins in with his friends in wishing him well, and also extends to his successor Rev. G. H. Erskine a hearty welcome and invites him to come in and get acquainted with us.

J. E. Mellinger again has his office in with the Tribune plant, where he will be glad to meet his friends.

H. H. Burnham has been on the sick list for several days this week, but is now able to come down town.

Henry Chapman and wife celebrated their 56th wedding anniversary, at their home on the 11th inst.

Prof. J. B. Dodson enjoyed a couple of days visit with his family here over Saturday and Sunday.

The M. E. Church of this town has a nice new U. S. Flag floating over it, as the result of the work and solicitation of C. W. Powell and other influential members of this society.

We have just learned that B. J. Parish has disposed of what is commonly known in Dayton as the black team, that has in times gone by hauled many of our residents to and from the station, to J. M. Crawford. We are all glad to know they have got a good home in the country.

C. R. Watson, with the assistance of Will Cain (our Bill) has about completed a couple of rooms at the head of the stairs, between the Odd Fellow and Masonic halls, to be used by each society as lavatory and toilet rooms. This is a much needed convenience which will be greatly appreciated by these societies.
