They Look Trim--Why Not

They are wearing

Warner's

Rust-Proof

Corsets

Do you want a shapely bathing corset—one
that will hold your figure in lines as true as
the corset you usually wear? If so, why
change at all? Have an extra Warner's
Rust-Proof!

You can safely wear it, when you take it
off, shake it out and hang it up to dry, re-
placing it with your extra pair. When you
next wear it, it will be as fresh as new,—not
a rust stain.

These corsets carry the strongest
guarantee a corset can. The
shape is authentic; the bones
cannot break or rust; the fabric
will not tear.

\$1.00 to \$2.50

Miller Mercantile Company

That fine display of cut glass,
inlaid silver ware, fine chinaware
in the show window of R. L.
Harris store is attracting much
attention of our people and many
favorable comments have been
heard regarding the same.

We are informed that our
friend Arthur Wilson is having
his house remodeled, painted and
repapered and has a new Max-
well car and his place shows oth-
er evidence of prosperity. Glad
to hear it Bro. W. and may these
good things continue with you.

Arthur Arms, and possibly
some others besides the two
Stoutenburg boys were home
from Clackamas Sunday to see
and say goodbye to home folks
prior to their removal south to
Palo Alto. A number of autos
loaded with boys in uniform
passed through our town on
their way to their various homes.

W. K. Peery of near Dayton
has bought a Moline Universal
tractor. Mr. Peery has been
studying the possibilities of the
tractor on the farm for some
time and finally decided to make
the investment. He also obtained
a full outfit which will enable
him to him to do plowing, disc
harrowing, running a binder or
mower and he plans to have the
tractor do a lot of work on the
farm.

A novel feature in Sunday
School and Church service was
experienced by the membership
and audience of the Chris-
tian church of this place last
Sunday, when they assembled
with their pastor, M. H. Kendall
and some invited guests from
McMinnville, on the banks of the
Yamhill river near the Locks
where they held thei. Sunday
school and church services and
witnessed a baptism in the
waters of the Yamhill river. A
basket dinner for all was one of
the pleasant and agreeable fea-
tures of the day and late in the
day they dispersed to their var-
ious homes feeling that they had
spent a profitable and instructive
day in one of the most pleasant
places in this part of the world.

Mr. and Mrs. Andrew Granger
of Big Springs Orchard invited
the P. H. R. C. and their families
to spend the afternoon of June
24th with them at their beautiful
country home 2 1-2 miles north
of Lafayette. About 50 accepted
the invitation taking lunch bask-
ets with them. Dinner was serv-
ed under the grand old oaks for
which the farm is noted. After
a feast of good things ice cream
and delicious coffee was served
by the hostess after which a mu-
sical program was given, Mrs. J.
W. Martin leading. Nellie Eliza-
beth and Mary Ann Bishop of
Elizabethan Heights sang several
songs in French. Mrs. Gilkey
gave a very interesting talk of
Mrs. Abigail Duniway and Mr.
Lownsdale, former owners of the
orchards. After the program
the party took a stroll thru the
lovely woods and up thru the
orchards. The valley view was
very beautiful. After inspecting
the building, at 5 o'clock, all
gathered on the lawn for a short
hours rest before saying goodbye.
Mrs. Granger took a few pict-
ures of her guests and gave each
one a souvenir ring to remember
the pleasant afternoon.

Last Friday July 6th, 1917 the
Dayton Auxiliary to the Portland
Chapter American Red Cross was
organized at a mass meeting held
in our city Park. A goodly rep-
resentation of the various needle
clubs of this vicinity were pres-
ent. The following officers were
elected; Mesdames Hattie F.

Stanley Chairman, E. J. Nichols
Vice chairman, Almeda Simler
Secretary, and J. L. Sherman
Treasurer. This organization
comes at a very busy time of the
year, but it is the duty of every
American woman to do her bit,
to help this world wide conflict.
War and the thoughts of war are
not pleasant but we must think
of the millions of sufferers who
sometimes go with wounds un-
bandaged simply because the de-
mand for bandages and dressings
are greater than the supply.
Quite a number of our women
do not understand what consti-
tutes membership in this society
or what they can do to help. The
payment of \$1.00 entitles you to
one years membership in the
American Red Cross, and that
dollar helps buy material. The
material is supplied by the society
and all you asked to do is to fur-
nish time and talent. You do not
have to be a member in order to
help in this work. All are invited
to help and notice will be given
of time and place of the next
meeting. Any additional informa-
tion may be had from any of
the above named officers. Mrs.
A. T. Samuels, press correspond-
ent. A later report states that
the next meeting will be held in
the Oddfellow's hall and the date
of which will be given later.

CHERRIES

Take fresh ripe cherries; wash and
pit; pack the jar as full as you can; add
the boiling syrup made by using 3 qts.
of sugar to 2 qts. of water and boiling
sufficiently to dissolve all the sugar.
Cover and sterilize in hot water bath
16 minutes.

Salted cherries to be used as a relish.
Take perfect cherries; do not pit or
stem; pack the jars with cherries; and
to a quart jar add 1 tablespoon of salt
and and ¼ cup vinegar. Fill the jar to
over flowing with cold water and seal.
If the sour cherries are used you need
not add vinegar. Cherries may be sun
preserved the same as strawberries.

There are many ways that canned
cherries may be used aside from sauce.
They are very good in salads. Cherries,
apples, pineapple, and nuts are a good
combination for salad. Cherries may
also be stuffed with filberts nuts and
used as a salad.

CHERRY ROLL

2 cups flour
1 tablespoon sugar
1 tablespoon butter
½ teaspoon salt
2 teaspoon baking powder
1 egg
1 cup milk

Make as for biscuits and roll thin so
that the length is twice its width.
Spread cherries over this, keeping
within an inch of the edge. Roll like
jelly cake, pressing the ends firmly so
that the fruit will not escape. Place
roll on one side of the baking pan, pour
over and around it ½ cup sugar, 2 cups
of hot juice from the canned cherries,
and 1 tablespoon butter. Bake, basting
frequently. Add more water as needed.
Serve with its own sauce.

Sarah L. Lewis, Assistant Professor
of Domestic Science at O. A. C.
