Little grains of dandruff mean good-bye to Hair

Dandruff literally smother the life out of the hair roots and eventually brings baldness. Wildroot is guaranteed to clean up dandruff and remove it—but it does more; it cleanses, softens and loosens the scalp and stimulates the hair to normal, healthy growth.

Wildroot Liquid Shampoo or Wildroot Shampoo Soap, used in connection with Wildroot Hair Tonic, will hasten the treatment.

Altho this dreaded Disease ravaged the Country last year yet a cure has really not been found for it, and Medical Authorities say another Epidemic will occur.

We urge everybody, the minute you feel a cold coming on, have fever or chills dull aches or constipation, to take a THORO, CLEANSING, PURIFYING LAXATIVE.

Bathe your feet in hot salt water, take a good big cup of HOLLISTER'S ROCKY MOUNTAIN TEA (warm), and go to bed for the night—chances are you will feel fine the next morning and it won't be so easy for the "Flu" or Grippe to get you
