Novel Use for Ice.

An engineer has invented the follow-
ing method for making hollow concrete
blocks. Hitherto it has been difficult
to make large cavities in concrete, but
it can be done, the engineer points out
by embedding blocks of ice in the mass
of concrete and introducing small out-
lets for the escape of the water after un-
melting. This method also makes un-
necessary the constant moistening usual
in concrete work, as it is auto-
matically supplied by the melting ice.

Tree of the New York Tenements.

The tree of the New York tenements
is the allantus, palmlike in its youth,
brought originally from China for the
gardens of the rich. It grows in dis-
couraging surroundings, is defiant of
smoke, does not even ask to be plant-
ed; for, Topsylike, it "jest grows." Cut
it down, and it comes up again. It is
said to have no insect enemies. An
odd point in its appearance is that
every branch points up.—R. and E.
Shackleton in Century Magazine.

USED CARS

So as to comply with the season attend-
ing this time of year, as well as to
stimulate the sale of used, rebuilt and
refinished cars, above the average, we
have materially reduced prices on prac-
tically all cars now on hand.

Without a doubt, this is the time of
year for the wise and conservative buyer
to purchase his desired motor car.
Make your selection now; buy it on
easy terms and have it paid for in full
by the time your neighbor is getting
started in his purchase at a great deal
higher price.

Adv.

To the ancients dreams were serious
matters, though as early as the time
of Julius Caesar the wise had begun
to scoff at them, as will be remem-
bered in connection with the celebrated
dream of Caesar's wife Calphurnia.

On the night before Caesar's assassi-
nation she dreamed that she saw her
husband's statue running with blood
from many wounds and the Romans
coming to bathe their hands in the
purple stream. She begged Caesar not
to go to the senate that day, but he
refused to stay away lest the senators
should laugh at him for being
afraid "because his wife had had a
dream." Calphurnia's dream was
probably born of her anxiety for the
safety of her husband, but the mys-
tics agree with her in regarding it an
unfavorable omen to dream of a statue.
They say, however, that if you
dream of several statues, you will
shortly receive a valuable present
from an esteemed friend—a case, ap-
parently, of safety in numbers.
