SENATE COMMITTEE ADOPTS TARIFF BILL

Practically All Farm Products Included In Emergency Measure.

Washington.—The Fordney emergency tariff bill, broadened to include practically all farm products instead of the limited number as the measure passed the house, was approved by the senate finance committee, which voted to report it out.

Seven amendments were added, making ten in all. No provisions of the original bill, however, were removed and rates on the major products were left intact. Opponents of the bill joined with the authors of amendments and forced the acceptance of most of them despite opposition from the bill's defenders.

The amendments made a part of the measure by committee action include: Sugar, \$2.13 the hundred pounds until the retail price reaches 10 cents a pound.

Frozen meats of all kinds, 2 cents a pound; all other meats 25 per cent ad valorem.

Apples, 20 cents a box; cherries 4 cents a pound.
Tobacco, Sumatra wrappers and fillers, \$2.85 a pound; stemmed Sumatra, \$3.50 a pound.

Butter and cheese and their substitutes, 8 cents a pound instead of 6 cents, provided in amendment which had been accepted.

Cattle and sheep to be used for breeding purposes were exempted from the duty on imported animals.

Last Wednesday evening the losing side of the members in the contest for membership in the I. O. O. F. lodge, banqueted the winners in the Artisan hall in this city. After some degree work was put on in their own hall, the lodge adjourned to the above named hall, where they proceeded to do as good work with the tables in front of them as they did in the degree work in the other hall.
