Winnie McDougall living just north of town in attempting to do some work that required a ladder, fell from the ladder with the result that he sustained a broken shoulder blade.

Mrs. Louis Schnell spent a few days visiting at the home of her brother, Rev. F. J. Schnell. She returned to Portland last Monday being accompanied by Rev. Schnell and family.

Mrs. Ernest Broughton after spending a few weeks in the prune orchards in the hills north of Dayton is home once more which is the cause of that broad smile that Earnest is displaying to his friends.

WHITE Sewing machines at Demaray's Hardware store.

Mrs. C. E. Howard is enjoying a very pleasant visit from Mr. and Mrs. King of Litchfield, Michigan, which is her old home town. She has known these people many years. The Kings have driven through in the car and expect to winter in California returning to their northern home in the early spring.

There has been some talk about a town basketball team this year. There is enough good material around town for a real good team. All those who are not in the high school that are interested in organizing a town team come to the Methodist Community Hall with your basketball shoes and suits on Saturday night October 14th at 7:30 o'clock and let's talk it over.

Money secured by ex-service men through a loan from the state bonus fund may be used in any manner the borrower may choose to use it, according to an opinion written by Justice Rand and handed down by the supreme court in which it is pointed out that the constitutional amendment creating the state bonus commission to limit the use of bonus loans to the purchase of a farm or home.

A new board walk is to be laid around the Methodist church and parsonage on Monday, Oct. 16. This will be a big improvement as the cement walk has gone to pieces. The services of a couple of men would be much appreciated for all or part of the day in helping to lay this walk. Any one that can help please be on the job early Monday morning with saw and hammer.

The Christian Missionary society met at the home of Mrs. Merritt Miller, Thursday, Oct. 5, in the Unionvale country. An exceedingly pleasant afternoon was spent by the members and the invited guests who were Mesdames C. D. Thornton, G. C. Miller, H. Klein-smidt, Thad Parker, George Antrim, P. K. Sittin and Miss Eva Sittin.

Newberg residents are anticipating a warm time at the coming city election, Nov. 7. Petitions have been filed for two candidates for Mayor and six candidates for Councilmen. A short time ago it looked as though it would be difficult to get enough people to run for the offices, but last week a number of good people were induced to allow their names to come before the people for election.

HAWAIIAN STEREOPTICON VIEW and a lecture on the Islands "The Paradise of the Pacific," will be given at the Arcade Theatre Monday night, October 16. There will be a description of these beautiful islands and their interesting history, with the manners and customs of the natives, and some of those lovely Hawaiian songs accompanied by the Yulele. A little girl will be dressed in Hawaiian costume as they appear on festive occasions. Many rare curios will be exhibited. No admission will be charged. Everybody and especially the high school pupils invited.

Prosperity Circle No. 200, Neighbors of Woodcraft met in regular session in the Woodman hall, Oct. 7th with a large attendance. The electric people of Newberg are busy this week in removing some of the old poles and otherwise helping the appearance of our town.

The World's baseball series is now a thing of the past and leaves the New York Giants again victors having won the five games straight shutting the Yankees out completely.

Mrs. T. M. Tague and little daughter Rose are spending the week with her sister in Covallis.

MISS GERTRUDE WILKENS will be glad to receive piano students at Rev. F. E. Fisher's home any Tuesday or Friday.

An arbitration court may do all right stopping strikes and small stunts like that, but it never could break up a family row without getting the worst of it.

Buy your lamps where you can get the best. Lamps that are built for durability, best illumination, and long life are the Edison Mazda. These three qualities constitute the best lamp. We sell only the Edison Mazda laboratory tested lamps and they have satisfied the trade for years. The electric user should be discriminating in the use of lamps. The lamp socket appliances, such as irons, toasters, percolators, etc., are big helps in the home. They save a lot of time and are convenient and useful. The cost to operate them is not great.

If your home is not wired we will gladly wire it for you and give you a reasonable time to pay for it, a little down and a little each month. Our materials are the best, our workmanship guaranteed.

If you need an electric motor of any kind remember our services are at your disposal.
