### THE ADVERTISER

Get acquainted with the advertiser, it will pay you. You will find that the advertiser is a merchant who is wide awake, up-to-date and eager to increase his business. He appreciates the business that he is getting, but he is never contented to drift along with just that; he wants more business. You will find his store stocked with the highest quality merchandise, and his prices will be just right. His stock will be fresh because he turns it many times during the year. Make it a point to trade with advertisers. You will find that it will pay you in more ways than one. The advertiser is constantly inviting you into his store. He appreciates your business, and wants more of it. Trade with your advertisers and tell them that you saw their ads in the home paper. —Exchange.

FOR SALE.—Foundation Stone. Will sell pile for \$5.00. —Inquire of Mrs. Julia May.

## Somebody Is Saving

Did you know that last year the savings of the people of this country amounted to 6,938 million dollars? This is 334 million more than a year ago, and 500 million more than two years ago.

So SOMEBODY is saving, that's sure. Are YOU? That's the question. The huge advance in savings may be due to prohibition or many other causes, but it shows that our people are beginning to "salt down" more money than in really prosperous times. We invite you to open an account at our Bank and join the WISE crowd.
