What's Happening In Our Town

Bill Wilson has put his foot on that chair for the last time

TALKING didn't do a bit of good. He'd promise not to—and he would go his feet again. But only on that old, worn chair in the living room. So Mrs. Wilson had an idea. She took a can of Acme Quality Great Lakes Spar Varnish and gave the chair the brightest, smoothest, new-looking finish you ever saw. And he never once done it since, she says.

ACME QUALITY GREAT LAKES SPAR VARNISH
