No young man would look forward to inheriting a farm, if his father has made a failure at the business.

But maybe it wasn't altogether the father's fault, suppose, for instance, that he raised dairy cows and his neighbors bought margarine instead of butter.

Let's help our farmers to market their products by creating a demand for them—by using their products.

Mercy It's Awful

Isn't it awful! He'll be sued! Who got killed? Judgment for \$10,000. Make him pay. He's worth it! Just such expressions are heard every day, careless and reckless automobile drivers make the careful driver wonder if he is ever safe on the public highway. Listen, folks. For just a few dollars we will place an automobile liability policy on your car and you can let the insurance company take care of your future worries. We are placing a policy nearly every day. Get yours before it's too late.—Adv.
