Stuart family, who accompanied Harry home that evening and returned to Albany, Tuesday morning. They witnessed the big fire as they were coming through Salem, Sunday evening.

It Is Hard To Start

No, we are not talking about a motor car—they are usually self starters these days. We refer to a savings account.

Young folks are over confident. There are long years ahead and unlimited possibilities. That's true, but the years will pass quickly and the opportunities will be greater if you start now. Start with a good bank like ours. We will be glad to do our part and you will never regret having made this step.
