The Thrifty and conservative buyer is making preparations for the greatest of annual events. Christmas. The ones most dear to the heart expect and receive enduring remembrance for this Day of Days.  
Gifts that serve, practical, lasting, useful ones, are those that reduce the physical efforts, give a measure of convenience, and gratify the user. The Electrical Industry has developed and expanded the list of useful presents as no other business has done, and a variety of articles and devices of the Electrical kind offers the purchaser unlimited advantages to buy servicable presents at prices within the reach of every one.  
The washing machine and the Electric Iron compose a complete laundry equipment that will make an unusually practical gift. The hard work of washing and ironing is eliminated with these wonderful inventions. An hour for the washing and half hour for the ironing tells the story.  
There are many other useful devices, like the waffle iron, toaster, coffee percolator, curling iron and so on, that make acceptable Christmas presents and you will do well to see our complete line before you do your Christmas buying. If you cannot pay cash see us for terms.  
We shall be glad to make satisfactory arrangements for your convenience. A Radio set is a most pleasurable offering. The latest and the best are in our stock for your inspection.  
We call your attention to electric light bulbs. There are lamps built for service. There are lamps built for sale. The Edison Mazda laboratory tested lamp give the superior service, last the longest, and are constructed with meticulous care as to durability and illuminating quality. Buy them by the carton and make a saving.

**DIPPING INTO SCIENCE**  
**Floral Business**  
There are about 7,500 florist establishments in the United States. At least \$2,500 worth of flowers are produced by each a year, the total production being estimated at \$35,000,000. There are 115,000,000 square feet of land in hothouses. The general use of the advertising slogan: "Say It With Flowers" has greatly increased business the past several years.
