Miss Erma Hole of Monmouth, John Sherman of U. of O., and Fred Hessler of O. A. Remember the basket ball games New Years evening.

The Parish Junior Hi basketballers of Salem will meet the D. H. S. basketballers on the local gym court New Years evening, Jan. 1, 1926. Come out and give the boys and girls a hearty welcome, and encourage the D. H. S. to put forth their best efforts to win these games you know nothing puts pep into them like a good full house. And it also makes the visitors feel good to think their activities are appreciated.

In remitting \$1.50 to us on subscription, which pays him up to January 1, 1927, W. P. Strandborg, director of the Oregon Public Utility Information Bureau at Portland says: I have enjoyed reading the Tribune, very much the past year, and want to extend my best wishes for your continued success.

Thanks. It makes a feller feel good to receive a letter like that.

P. N. Lundquist Of Dundee Killed By S. P. Electric

Tuesday morning as the 10 o'clock S. P. electric train was approaching Dundee from the north, P. N. Lundquist, a farmer living near there attempted to cross the track with a load of chickens he was taking to market, but failed to make the crossing. The train hit the auto, demolishing it, killing Mr. Lundquist and all but one of the chickens. These sad affairs continue to happen every day and still people won't heed the warning of Stop! Look and Listen.

Basket Ball

The games of basket ball by both the girls and boys teams of Yamhill Hi and Dayton Hi, last Friday night at the home gym were won by Yamhill. Score:

GIRLS	
Yamhill	23
Dayton	17
BOYS	
Yamhill	15
Dayton	9

Everybody knows what kind of decisions they got, especially the girls, and we would suggest that in event they play again, the girls sub Pete Stoutenberg in place of one of our girls; don't believe they can reach much higher than Pete can.

Christmas Party

Last Sunday a group of young people representing the Amona Class of the White Temple Sunday School, and the Mierer & Frank Co., of Portland, gave Miss Hazel Parker a Christmas Party. They came laden with gifts, and brought lunch which they all enjoyed very much. A few of the neighbors were invited in to meet these young people and share in their good time.

Webfoot Methodist Re-Union

The people of the Webfoot Methodist church have set Sunday January 31, 1926, as the date for their big all-day Home-Coming service. Many old-timers have already signified their intention to be present if they have to crawl. One of the committee has begun to compile the history of the old Webfoot Church; others are working up quartettes, duets, and various musical numbers. The morning will be given over to Sunday School and church services; there will be a big basket dinner at noon; and in the afternoon a number of the old pastors are expected to give a few words; the history of the church will be read; and the old timers will be given an opportunity to tell of "the good old days." Everyone, old and young, is invited and all old timers and new comers will be special guests of honor. Arrangements will be made to transport any old people to the church who have no way to come.

Class Breakfast

Mrs. O. C. Goodrich gave a breakfast for her Sunday School class of girls last Sunday morning. Such events are to be commended as they furnish a get-together meeting, which promotes good fellowship among the class members.

Evangelical Church

The Sunday School of the Evangelical church presents their Christmas program tonight, Thursday, at 8 o'clock. The program is under the direction of the superintendent, Miss Gladys Litcher.

The sermon at the Evangelical church Sunday morning, will be delivered by Miss Miriam Holder of the North Pacific Evangelical Institute of Portland. Miss Holder is an interesting speaker and a good singer.
