

### BUSINESS MEN TO MEET MONDAY EVENING

A meeting of the Dayton Association of Business Men will be held in the City Recorder's office on Monday evening, July 25, for the purpose of discussing Yamhill County's exhibit at the state fair. County Agent White will be present and give the association some pointers on how to co-operate with the other towns in the county in making the exhibit.

Every member of the association should be present at this meeting. Yamhill County has the stuff behind her to carry away the blue ribbon if we all get together and do our share of the work that is necessary to put this thing across. Let us all turn out to this meeting Monday night and go to the thing with a will. With this in view we can bring back the blue ribbon from Salem.

### ROYAL NEIGHBORS AWAY TO GOOD START

Romona Camp, No. 10253, Royal neighbors of America, met Monday night in Hibbert's hall. Romona Camp was recently organized by District Deputy, Mary J. Gray of Marguerite Camp, of Portland. It has a membership of over 40 members and meets the 1st and 3rd Monday in the month.

At the meeting Monday night, twenty-five members from Marguerite Camp, No. 1440, Portland, were guests of Romona Camp, who with District Deputy Mary J. Gray and State Supervisor Ida Hamblin and drill team from this camp, exemplified the ritualistic work and initiated four new members. The drill team was dressed in the lodge colors, purple and white, and their work was beautifully put on and was very helpful to the members of the new camp.

State Supervisor Ida Hamblin gave a splendid fraternal talk, Verda Duzan, Oracle of Romona Camp, responded. At the close of the meeting the committee, Mesdames F. J. Robertson, Ethel Hadley, Mae Potts, Elsie Webster and Miss Helen Hartman, served delicious refreshments. About sixty were present and all report a pleasant evening.

### APPEALS TO COUNTY COURT FOR RELIEF

Mrs. Helen Smith, whose husband was shot near Newberg, desires help.

Mrs. Helen Smith has filed a petition with the county court asking the board of county commissioners of this county "to make suitable provision for the support of myself and minor children during their minority either by monthly payments or in lump sum," alleging that her husband, William W. Smith, on April 29 was shot near Newberg, and died June 20, as the result of gunshot wound, and that he was the sole support of herself and children.

"I am now penniless and without means of support and two children and the child yet to be born in October," the petitioner recites. She further alleges that her husband was shot in the back by Ray Amy, a deputy state prohibition officer, acting in concert with Sheriff Manning.

Smith came to his death when he fled from officers endeavoring to arrest him for violations of the prohibition law.

Portland attorneys are representing Mrs. Smith.—News-Reporter.

### WANTED TO SEE OLD TIME FRIENDS

Some little excitement was caused in the Webfoot district Saturday morning when Roscoe Hamilton, 15, an orphan, who has been living with Mr. and Mrs. James Richardson, thought he would like to see his old-time friends in Roseburg, and helped himself to Mr. Richardson's Star touring car in which to make the journey. He pushed the car out of the garage and into the road and then headed for Roseburg. When Mr. Richardson became aware that his car was gone he notified Sheriff Manning and word was broadcasted regarding the car. Roscoe was picked up at Drain and brought back to McMinnville where a hearing was held in the juvenile court before Judge Sacket on Tuesday. Roscoe was committed to the Oregon state training school at Salem and the sentence suspended upon good behavior. Apparently it was only the desire to see his old friends and the love for adventure that caused Roscoe to leave the Richardson home.

### HESSLER CAR IN BAD AUTO ACCIDENT

What might have been a very serious accident occurred on the Portland highway last Sunday near Multnomah, when the car of Mr. George Hessler collided head-on with another car. There was considerable damage done to the Hessler car in which the fenders were badly bent, the hood smashed and the axle bent.

There were two cars coming towards Hessler, one on each side of the highway. One car traveling about 50 miles per hour and the other about 30 miles per hour. The car traveling 50 miles per hour was the car at fault and did not clear the road, causing Hessler to hit the other car. The man at fault did not stop when the accident occurred, but his license number was secured and he was later overtaken and he has agreed to make the necessary repairs on the car.

Mr. and Mrs. Hessler, Lenora, Laverne and Mina Hessler, Iola Gooding and Dorothy Demaray were in the car when the accident occurred, none of them being hurt but badly shaken up and frightened.

### MAYNARD SAWYER KILLED BY AUTO AT SALEM

Maynard Sawyer, who for the past five years has been employed as a drug clerk in the Capital store in Salem, was instantly killed by an auto driven by Mrs. Ruth W. Lockwood of Turner, Tuesday evening.

At the time of the accident, Mr. Sawyer was crossing the street, and was dragged about 75 feet. He died before reaching the hospital.

Mrs. Lockwood failed to stop when the accident occurred, and traffic officers set out after her and she was overtaken and brought back to Salem, where she was examined by physicians and pronounced to be under the influence of liquor. When officers later searched her car they found two bottles of whiskey. She was taken to the city jail pending the inquest which was held Wednesday and a charge of manslaughter was filed against her. She later told the police that she had no knowledge of striking Mr. Sawyer.

Mr. Sawyer is survived by his father and other relatives who live at Wheatland. He was born and educated in this vicinity and was well known here.

### MUSIC PUBLISHED BY TRIBUNE IS GOOD STUFF

We are very pleased to know that the music and words published last week, "Lindy's Landed Home," was appreciated and more so to know that it is a good piece of music. How do we know, Mrs. Ralph Taylor said so. She called the Tribune office and told us that it was very good and to use her own words she said that she had been playing it "miles a minute" and would play it at the picture show on Saturday night. No one will question the ability of Mrs. Taylor to judge a piece of music and when she says it is good, it is good, and when she says it is not good, it is simply rotten.
